Last evening a very successful corn bake was held at the breakwater, West St. John, for the benefit of Alfred Jackson, of M. R. A., on the occasion of his twenty-first birthday. After enjoying a very pleasant evening, the party broke up at an early hour in the morning.

CEYLON TEA

The Cingalese will not drink tea that has been standing over five minutes. They pour boiling water on the leaves and then pour off and drink the infusion immediately. When made in this way "Salada" tea is very delicious and fragrant and does not affect the nerves.

Although all the returns have not as yet been received, there is every indication that the St. John exhibition was a success financially. Secretary Gleason has been a busy man this week winding up the business, and expects to have everything completed in a few days.

Union Jack Lodge, No. 80, P. A. P. E., met last evening in the Market building, Charlotte Street. A large number of the members were present. During the evening some of the members presented to the lodge a large Union Jack with flag-staff and lodge emblems. Songs and speeches were indulged in and the members spent a very pleasant evening.

A little girl about four years of age, who evidently went to go away on the train, was found near the I. C. P. depot last night by some of the Salvation Army people who were leaving the city for their homes. The child said her name was Lizzie, but was unable to tell her father's name or where she lived. The child was crying and the army ladies tried to comfort her by feeding her on fruit, while others attempted to find someone who knew her. Later a sister of the child arrived and rejoiced over finding the little tot. She was taken to her home on Paradise Row, from where she had strayed early in the evening.

Miss Maud Cummings, who resides in Charlton, narrowly escaped being hurt last night by falling in front of a street car on King Street. Miss Cummings, who was carrying a baby at the time, did not notice the approaching car. She stood for a short time between the tracks with her feet turned in the opposite direction, when suddenly she heard the bell directly behind her, and in her fright she dropped the child to the ground on the side of the track and jumped to get out of danger, but in doing so her feet slipped and she fell in front of the car. The conductor managed to stop the car in time to prevent an accident and no injuries were received by the girl or child as a result of their experience.

AYRSHIRE DAY AT THE SUSSEX FAIR

Some Magnificent Specimens of Ayrshires Were in Competition

SUSSEX, N. B., Sept. 23.—The attendance at the exhibition today was the largest of the week. A large number of persons from outside points were in the town today and helped to swell the attendance total at the fair.

The races this afternoon attracted a considerable crowd from St. John.

The evening train tonight was crowded with returning visitors. The weather was perfect and well suited the Ayrshire day, as the judges devoted the greater part of the time to judging that breed of cattle.

The entries of Ayrshires were numerous, as the farmers in this vicinity devote a great deal of attention to this breed. Some magnificent specimens of Ayrshires were in the competing ranks.

The judging before today was of classes in which there was little or no competition. Walter McManis and Sons of Sussex swept everything in Guernsey cattle and Harding Bros. of Walsford did the same in Holsteins.

The competition in grade cattle was very keen.

The prizes for the drawings entered by the pupils of the Sussex public schools were awarded today.

YOUNG LIBERALS OF YORK FORM A STRONG CLUB

FREDERICTON, N. B., Sept. 23.—Over 100 young Liberals met tonight at their rooms over Farrell Bros.' store and formed a strong political club, which enters upon its existence with every prospect of a successful career.

After a short programme of music by a travelling band of harpists, C. H. Allen was elected to the chair and W. A. B. McLean was appointed secretary.

On motion of W. A. B. McLean it was resolved to found the Young Men's Club of York and a constitution and by-laws were adopted. The age limit was fixed at from 18 to 40 years with a provision for an executive committee for men over the maximum age.

Arranging of the details of by-laws was referred to a committee consisting of C. H. Allen, Peter J. Hughes, and W. A. Walsh. A number of other Liberals, including J. D. Phinney, K. J. Bell, Thos. Fitzpatrick, O. B. O'Brien, L. C. MacNutt and A. D. O'Brien were present and assisted the young men in their work.

At the close of the meeting the subject of the club and some other issues of the campaign were delivered by Mr. Phinney, Mr. Bell, Mr. Fitzpatrick, Mr. O'Brien and Mr. MacNutt.

At first the price charged for the space was small, but as time went on the price was raised, and now space for an advertisement on North Cape is very costly.

The fate that awaits the North Pole on its discovery is manifest.

THE KAISER'S BILLBOARD.

Emperor William the First to Deface North Cape.

LONDON, Sept. 23.—Emperor William is responsible for the defacement by advertisements of North Cape, the most northerly point in Europe, on the island of Magero, Norway.

When the Kaiser visited the cape a few summers ago he expressed a desire to leave a striking memorial of his visit and allowed the local authorities to paint the name of his yacht, the Hohenzollern, in letters fifteen feet in height on the face of the extreme point, which met at Oxford this week.

Shipping firms which conducted steamship trips to the land of the midnight sun, the Emperor's example and painted the names of their vessels in striking letters on various portions of North Cape.

The shipping firms, however, were followed by an enterprising chocolate maker, and he, in turn, by a firm of boot-black makers.

At first the price charged for the space was small, but as time went on the price was raised, and now space for an advertisement on North Cape is very costly.

The fate that awaits the North Pole on its discovery is manifest.

WHERE WOMEN ARE SILENT

Women Who are Mourning are Forbidden to Speak.

LONDON, Sept. 23.—Among the curiosities of religious belief mentioned at the Congress of the History of Religions, which met at Oxford this week, perhaps the most striking was related in the section over which Prof. Jastrow of Philadelphia presided. Here Dr. Frazier told of the silent widows of Northwest America and Central Australia, where, partly with the object of disgusting their dead husbands, it was the custom of widows to keep silence and in various ways to make themselves hideous for periods of mourning which in some cases lasted two years.

There is one particular tribe of Australian aborigines which extends this veto to the mothers, sisters, daughters and mothers-in-law, so it often happens a majority of the women in a tribe are prohibited from speaking.

Dr. Frazier noted that an odd circumstance was that many of them when the time for mourning was over preferred to continue to be silent women and to discourse only by signs.

LIQUOR DISCOVERED UNDERNEATH FLOOR

Yesterday was a lively one in Scott Act circles in Sussex, five raids being made, two of which turned out successful.

Early in the day Constable Ashell, assisted by Rev. Mr. Kennedy, got to work. They raided the premises of George Doherty, who conducts a pool room. They found two bottles of liquor on the person of Doherty, which they secured after a hard tussle.

On visiting the premises of Alfred Duguid, no liquor was found on the ground floor. On the second floor a fume board was found and underneath it was a large quantity of liquor, which was seized.

The other places, including Thomas Brown's restaurant and J. R. Ward's shop, where a private den was conducted, were visited, but no liquor found.

SUPREME COURT CASES RESULT IN CONVICTIONS

YARMOUTH, N. S., Sept. 23.—The regular session of the supreme court, which opened in Yarmouth yesterday was concluded today. Judge Mosher presided, and the grand jury found true bills against Augustus Fitzgerald, charged with rape, and Adelbert Claco, charged with abduction. Both pleaded guilty on being brought before the jury.

Fitzgerald was sentenced to ten years in the penitentiary, and Claco to one year in the common jail at Yarmouth.

There was only one civil case on the docket, and Claco is one year in a dispute in regard to the allotment of stock in the G. A. Shand Company, Ltd. The evidence was taken and the case will be argued in Halifax.

LAURA MERRILL AND ESTILL BOY TROT DEAD HEAT FREE-FOR-ALL

SUSSEX, Sept. 23.—A result of the second day's racing connected with the exhibition was the winning of the free-for-all by Laura Merrill in straight heats after running a dead heat with Estill Boy. In the dead heat Terrace Queen was distanced. The 235 trot and pace went to Ollie Online in straight heats. Harry W. of St. John was distanced in the race. Laura Merrill's best time was 2:17. The dead heat was in 2:18. The best time in the 235 was 2:19.

The attendance at the races today was much better than that of yesterday, but was not what it should have been. Quite a number of St. John people came up for the afternoon's sport. The weather was beautiful and the track as fast as on the preceding day. The temperature for an autumn day was high and brought the speed out of the horses. The wind was stronger than on Tuesday but not strong enough to interfere with the drivers, although it blew in their faces on the back stretch.

ISLAND RACES KEENLY CONTESTED

CHARLOTTETOWN, P. E. I., Sept. 23.—Four thousand persons saw the second day's races at the exhibition. It was summer weather, with bright sunshine, but the heavy, sandy condition of the track operated against record breaking. The races were well contested, good square trotting being the order of the day.

Following are the summaries:
THREE-TEAR-OLD TROT AND PACE—PURSE \$200.

STRICTLY FRESH SERMONS

ONLY 25 CENTS A PIECE
Syndicate Offers an Up-to-Date Service and Guarantees Against Accusations of Plagiarism.

NEW YORK, Sept. 23.—For 25 cents a week or \$10 a year, clergymen may now obtain sermons which are described as "being strictly up to date and containing allusions to current events and matters of national interest."

Many clergymen in New York and surrounding towns have received circulars addressed "Dear Brother" from the homiletic to wit, and ending in the words "I am, Sir, your obedient servant, the syndicate."

"No patron," says the circular to the clergymen, "need fear an accusation of plagiarism. We sell the clergymen our work and he has a right to use what he purchases as seems best to him. The sermons are mailed in New York every Friday morning in plain sealed envelopes. They are evangelical in tone. We shall not furnish our service to more than one minister in any city or town."

Page 6 of a sample sermon accompanies the circular. Included in the excerpt are a quotation from the Bible and a verse from a hymn.

The peroration of the sermon is as follows:
"Let us all stand firmly on solid ground and still stand when enemies of the faith shall have reached the utmost limit of their inquiry and all truth is woven into a crown of everlasting glory and placed upon the brow of Him who has shown shining forth the way of life, who has revealed to us the wayward, erring man the truth of life, who has given to the unworthy the best gift at His disposal—Himself."

DO NOT BE HUMBLED.

More than ever, dishonorable and disreputable pharmaceutical concerns are flooding the market with cheap and worthless preparations designed to imitations of Dr. FOWLER'S EXTRACT OF WILD STRAWBERRY.

Some of these are even labelled "Extract of Wild Strawberry," "Wild Strawberry Compound," etc., in the hope that the public may be deceived and led to purchase them, thinking they are getting the genuine Dr. FOWLER'S.

Are you willing to risk your health—perhaps your life—on such a cheap and worthless preparation? Dr. FOWLER'S EXTRACT OF WILD STRAWBERRY has been used in thousands of families for diarrhoea, cholera, cholera morbus, cholera infantum and all bowel complaints.

Do not let the dishonest or unscrupulous dealer humbug you into accepting one of these cheap substitutes, to the detriment of your health and gain to his pocket.

Ask for Dr. FOWLER'S and insist on being supplied with it. See that the name "The T. Millard Co., Limited, Toronto, Ont., is on the wrapper. Price 35 cents.

SYNDICATE AFTER EASTERN COMPANY

BOSTON, Sept. 23.—In the United States Circuit Court, Portland, today, proceedings were instituted for the purpose of terminating the court's control of the Eastern Steamship Company and effecting its sale to a New York syndicate, which includes some of the company's creditors. The Eastern Steamship Company has done excellent business the past summer under the management of Governor William T. Cobb and Calvin Austin, receivers appointed last February. The proceedings took the form of a petition for a final decree on which the hearing will be Sept. 30. It is not certain whether Charles W. Morse is a member of the syndicate, but it is believed he is.
