CHARLOTTETOWN, March The legislative assembly is now in full swing. It is expected that the present session will be a short one. The speech from the throne did not foreshadow any important legislation to receive the attention of the house. The new members are settling down well to their work. Thirteen out of the thirty members never before occupied seats in parliament. S. E. Reid of Tryon has been appointed speaker. John A. McDonald, lately returned from South Africa, has been appoint-ed clerk of the house, and George S. Inman, law clerk.

Private R. E. Lord of Charlottetown, who went to South Africa with the first contingent, and who was afterwards invalided to England, has been appointed by the war office as officer in charge of the men looking after a cargo of horses for the British army. He sailed on the S. S. Armiston Grange on the 23rd ult. for Newport, Wales. The steamer was to go up the Adriatic and Mediterranean seas, calling at Fiume, Austria, for the horses, from whence she proceeds probably via Suez to South Africa, where they are due early in April. Private Lord is a son of Artemus Lord of the marine department. Charlottetown.

Coffee is no respecter of person when it comes to the poisonous effects thereof: A prominent physician's wife of Monticello, Ind., says that coffee treated her very badly indeed, giving her a serious and painful stomach trouble, and a wretched, muddy com plexion.

Her husband is a physician of the regular school and opposed to both tea and coffee, so he induced her to leave them off and take on Postum Food

most like magic, and gradually her complexion cleared up; now she is in excellent condition throughout. There are thousands of highly organ ized people who are made sick in a variety of different ways by the use of coffee, and most of these people do not suspect the cause of trouble. They think that others can drink coffee and are well, and they fee, and this can be proved by leaving off coffee and taking Postum Food Coffee. In nearly every case the disorder will be greatly relieved or entirely disappear. It is easy enough to

or the old may be used, but, on and after lat January 1902, the new evition only is to be used.

To prevent any misunderstanding during the year 1901, as to whether the old or new code is being used, when signals are made by the new code the code pennant, is to be doubled, that is the fly of the pennant, as well as the tack, is to be made fast to the helyards, and holsted below a black ball or shape. On and after 1st January, 1902, the code pennant will be hoisted in the ordinary way, without the black ball.

Signals for a pilot can be made during 1901 either by the old or new code, but in the event of using the latter, the pennant must be hoisted, as notified above.

All signal stations in the Dominion of Canada have been supplied with the new code and the British code list of vessels, and it is expected that they will be equipped with the additional flags by 1st May next.

A LETTER

From Sir Redvers Buller to Major Daley,

Major Daley of Digby has just received the following letter from Sir Redvers Buller. The general speaks very highly of the Canadians in South Africa, especially of Strathcona's Horse. He also speaks of the "pleasant days" he spent with Major Daley at Digby and vicinity:

Government House, FARNBOROUGH, Hants, England

March 4th, 1901. Dear Mr. Daley-I have two letters to thank you for, one of October the sixth and the other of February the ofth, and I have meaning to write to you ever since the receipt of the first out I have had so many letters that one way and another I have never

Am sorry to hear that you have got sciatica in your hip and that it keeps you from shooting wood-cock. I have

you around Digby, and it has been very agreeable to me that you should also have cared to remember them. I suppose all around Annapolis and Digby the county is much more settled than it was in the old days when we used to go moose hunting. Somehow or other the world seems to be setting very full just now.

I do not know whether we had, among the Canadians who came to South Africa, any men from your part of the world, but we had an extremely good lot of fellows, and I do not know that I ever want to command better men than Strathcona's Horse, who were the Canadians more immediately

Thank you very much for your letters, and wishing you all prosperity

and good luck, I am. your old comrade, REDVERS BULLER. To Major Daley, Digby, Nova Scotia.

Mr. Walter Booth, Consecon, Prince Edward County, Ont., states :- "I was troubled for some years with kidney and liver disease and pains in my back, and my stomach was so bad I could not eat hearty food and had difficulty in keeping any food in my stomach. I was so nervous that I could scarcely take a drink of water without spilling much of it, my hand trembled so, and I had lost flesh, until my weight fell from 155 to 138 pounds.

"Hearing of a similar case that was cured by Dr. Chase's Remedies, I commenced by taking Dr. Chase's Kidney-Liver Pills, six boxes of which entirely cured my kidney and liver troubles. I then began Dr. Chase's Nerve Food for my hervousness. It strengthened my stomach and whole system and I gained in flesh. I cannot speak in terms of too curing me, they did my father, who is
