CROUPY COUGHS OF CHILDREN.

The tendency to croup is a foe that all parents have to fight. Croup comes in the night, when the help must be right at hand it it is to be helped at all. Does it pay, I wonder, to strive for naught
But the pleasures life will give,
To dance all night and to dream all day,
To be merry while we live;
To work and worry and fume and fret
Over what we shall wear today,
What we shall eat and what we shall drink,
I wonder, does it rey."

Does it pay, I wonder, to never stop
In the ceaseless rush and care,
And list to the songs of bird and brook,
Or wander through woodlands fair;
To never think of what lies beyond
The narrow sphere of today,
I'll the new life dawns on our untried souls,
I wonder, does it pay?
