AYER'S AMERICAN ALMANAC has arrived, and is now ready for delivery, gratis, by our druggists, to all who call for it. Our readers may be surprised to know that this little pamphlet, which has become so much a favorite in our section, has quite the largest circulation of any one book in the world, except the Bible It is printed in many languages, and scattered through many nations, as well as implied to almost the entire population of our own vast domain. Every family should keep it, for it contains information which all are liable to require, when sickness overtakes them, and which may prove invaluable from being at hand in season. If you take our advice, you will call and get an Ayer's Almanac, and when got, keep it.
