The "Unique"

TELEPHONES

Made especially for Exchange and Private use.

The cheapest, simplest and most effective
Electric Telephones in the world.

The "Unique" Transmitter is the only
one made which does not require adjustment
and that is not affected by atmospheric
changes, or rust up.

ALWAYS THE SAME.

Will transmit over the longest distance
without readjustment.

"Samson" Batteries supplied with the
"Unique."

Send for Telephone Circular and Price List.

STE. JULIE, Sept. 5th, 1892.

T. W. NESS, Esq., Montreal.

DEAR SIR.—We are happy to state that your
telephones and switches are giving us good satis-
faction. We have three sorts of switches and
we find yours far preferable. There is now about
forty of your telephones in operation on our line.
Every one works well, and we intend to use no
other.

Yours very truly
