### CHAS. CLUTHE'S

Perfected Special Instruments, Inventor and Manufacturer of Appliances for Health and Maintenance of all DEFORMITIES of the Human Frame.

Mr. G. Morgan, Editor Maple Leaf, Fort Dover, says:

"Having known Mr. Cluthe for several years, and used his instruments, I have no hesitation in saying that his work is far superior in every respect to any of the instruments of the best makers in New York, Philadelphia, or Indianapolis, for which much higher charges are made.—Mr. Cluthe is an adept and enthusiastic in his business,

and fearless of it and adaptability for the purpose designed his superiority in America is hard to find. As an instrument maker and fitter I can most cordially recommend him to any undoubtedly in need of his services. He is thoroughly honest and reliable, and will do what he says."
