

SOCCER BEARS WIN AGAIN

by Clive Padfield

Stu Robbins' Soccer Bears completed their exhibition schedule with a cracking 4-0 victory over an Edmonton All-Star team at Clarke Stadium last Wednesday night.

Despite the wealth of soccer talent in the All-Star line-up, they were hustled and finally run off the field by the aggressive play and hard running of the Bears.

Bears went to the attack right from the start and after twenty minutes, Ike Mackay scored with a hard shot from twenty yards out on a pass from striker Phil Craig, to open the scoring.

Bear forwards kept pressing their attack continually forcing

the All-Star defence back.

Bears second goal came from a superb pass by John Devlin to Phil Craig who hooked the ball around an All-Star defender into the far corner of the net.

Bears began the second half by scoring again, Ike Mackay headed Phil Craig's corner kick over the line.

Bears' third goal sparked a push by the All-Stars to get back into the game. The Bear defence shone however and with fifteen minutes remaining in the game, a sizzling boot from Tony Msemakweli proved too much for the All-Star goalkeeper to handle and Neil Fuge swept the rebound into the net.

...and on to Victoria

The Bears travel to Victoria for the Canada West tournament this weekend. Their exhibition season has seen them outscore the opposing teams by a margin of 62-6.

Coach Robbins is cautiously optimistic about this tournament. He has seen that his team can play well but they have been a little inconsistent and perhaps are a little over-confident. The toughest competitors in Victoria will be the teams from UBC and U of Victoria.

These schools consistently produce good teams. They tangle with UBC first and this game is a "Must win" game. Neither team will have a chance to scout each other before the tournament starts and walking in cold will probably make for a very interesting game.

Coach Robbins feels that if his men work like they did last Wednesday night, they will have an excellent chance of becoming the National Champions for the second straight year.

Field Hockey Champs

by Belinda Bickford

The University of Alberta Pandas displayed a strong defence and solid goal-tending to take the Canada West University Athletic Association Field Hockey Championships in Victoria on the October 14th weekend.

However, they had to share it with the University of British Columbia Thunderettes - both teams tallying for three wins and three ties of which the rules permit no play offs.

Coach Kathy Broderick was extremely pleased with her squad's strong showing -

"Everyone could not have played better as they have all improved so much since the start of the season."

Of particular note were the defence and the goaltending. Darien Anderson who took over goaltending duties from retired Mary-Ann Wasylsynchuk - former Alberta Provincial team member - carried two shut outs in 0-0 ties with Victoria and U.B.C.

She helped Pandas to 4-1 and 2-1 tallies over Calgary with Susie Seaborn netting three goals with a single by Sheila Mitchell in the first, whilst Seaborn and

Wendy Martin tallied singles in the second.

In later action, Debbie Crawford, Seaborn and Martin potted singles to sink Victoria 2-1 and tie U.B.C. 1-1.

The Round Robin tournament fielded teams from the Universities of Victoria, B.C., Calgary and Edmonton.

Thus Pandas have completed a very successful season placing fourth in the U of A Invitational, second in the U of Calgary Invitational and capped by the C.W.U.A.A. Championship Trophy.

Men's Intramurals

After a season of bone crushing ref name calling football the champions have been decided: Div I - Med "A", Div II - 6th Henday "A", Div III - 4th Mac.

A total of 111 teams participated in flag football this year. Keeping with other football leagues the I.M. office presents the I.M. Schemley Awards to Allan Price and Andre Lacoste of 6th Henday, who combined for 6 T.D.'s in 3 play off games.

The Co-Rec Car Rally was a

success on Saturday, Oct. 20. Collin Schellar and Tannis Perrott wheeled their car over the country roads, mud holes, and city traffic lights to place over the rest of the field.

Indoor Soccer and Waterpolo teams are playing and it looks like the teams to beat in Indoor Soccer are Kappa Sigma and Chinese Rec Club. Waterpolo giants of Recreation and Medicine should be hard to beat but all teams look good.

Deadlines for the next week are: 1. Basketball, Oct. 30,

by John Vandoesburg

Tuesday. 2. Co-Rec Racquetball, Oct. 31, Wednesday. 3. Swimming and Diving, Oct. 30, Tuesday. In swimming and diving a competitor may enter 2 individual events, 1 relay event, 1 diving event. There is a special diving event (Clown Diving) in which the costuming will impress the judges. So get on your Halloween gear and come out.

The participant of the week award goes to all football players in every division for their effort during the flag football season.
