UNB SOCCER TEAM WINS SIXTH CONSECUTIVE TITLE Mt. A. loses point series 4-5

The UNB Varsity soccer team won their sixth consecutive N.B. Intercollegiate soccer title at Sackville on October 23rd. by downing Mt. Allison University five goales to four in the two game, total point, series. Although the U.N.B. squad lost the second game by 2-1 score, they took the series on the strength of a two goal lead carried over from their 4-2 win here last weekend.

The game got under way with Mt. Allison carrying the play to U.N.B. They seemed determined and took control with very effective team play and heads up ball. During the first quarter no score was recorded as the Mt. A. team hammered at the UNB net The story was repeated in the second quarter but the big Red squad still held their opposition at bay. At half time, with the game a 0-0 tie, U.N.B. still had the series 4-2.

As the third quarter came up the sun and wind began to play an important part in the Mt. A. attack. With these two elements at their backs the Sackville crew drove through on the U.N.B. goal to score. The first point came as Yan Huntjins, Mt. A. centre for-ward, headed the ball into the net on a corner kick. Soon after, Bruce Buffet made it 2-0 for Mt. A. with a kick to the upper corner of the U.N.B. net. This left the series tied at 4-4, and presented a tough spot for the UNB team.

With the sun and wind now in their favour the "Hillmen" came driving back and in the fourth frame determined now to save the series. Despite a mounting pressure of attack the Red and Black men could not score and, as game time ran out, the series remained tied at 4-4. Now the contest would have to go into overtime with four periods of 10 minutes each to be

OVERTIME PLAY

Two scoreless overtime sessions were played with neither side gaining the advantage. Very fine soccer was displayed by both teams as Mt. A. could see the N.B. title within their grasp, and with UNB equally determined to retain their title for the sixth streight year. title for the sixth straight year.

The third overtime period opened with the series still tied. With an amazing ever increasing drive the UNB team packed the Mt. A. goalmouth with players. From this scramble Don Hersey, UNB's centre forward, hooted the ball home with the series winning score.

This display of power pointed to UNB's superiority and they continued to control the play through-out the remainder of the third and fourth overtime stanzas

Starring for UNB were Vic Randall at centre-half and goalkeeper Leon Taylor.

ERS LOSE

Playing under a bright sun the U.N.B. Red Bombers went down to defeat at the hands of the St. Thomas Tommies last Saturday at College Field after leading 11-1 until half time.

Playing their third league game of the season, the Bombers vere looking for a win to extend their unbroken strand and as the game opened it seemed that they would conquer handily. With play sluggish through the first quarter, the Red Bombers began to get warmed up during the second half with their end runs working well and line bucks picking up and against loses. valuable yardage,

Hugh Auger of the Bombers opened the scoring with a touch down on a long end run to the right. He had repeatedly picked up yards on previous plays, and his major came as no suprise play when he was tackled in the end zone. The convert missed as a faulty snap went wide of Benson's toe.

UNB's Rod Clarke went across for another five points soon after in the latter half of the second quarter on a similar play. This time Clarke went around the left end on one of the nicest plays of the game. Hesitating as he went through the line, he faked his opposition out of position and went across with a burst of speed standing up. This time, the convert attempt was good as O'Connor's kick sent the ball through the uprights. Play dwindled again and half-time saw U.N.B. ahead 10-0. Coming out in the third quarter, the play resumed with St. Thomas taking control with many long kicks and runs. On St. Thomas third down kick, R. Clark of the Bombers was trapped behind his own goal line with the ball as the Chatham squad scored a rouge for one point.

Play settled down about centre field stripe as both teams fought for the breaks. During third quarter U.N.B.'s attack became faulty and undecisive, and as the game went into the fourth frame it was evident the Tommies were building up determined attack as a win came within their grasp.

Passing well without much interference by the U.N.B. defence, the Tommies moved down the field and eventually scored on a pass as the Bombers tried in vain to block the kick. This left the score at 7-11 for the Red Men. Though the favored red team tried to stem the tide St. Thomas hit again and again with passes and line smashes until they were

With a buck through the right side of the line, St. Thomas brought the ball to the U.N.B. eight yard line. Following this with a quick sequence play they passed to Boyled in the end zone and again he went in standing up for five more points. This time the convert was blocked with the score staying at 12-11. With four minutes left in the game, the Red Bombers at last seemed to come alive. Time ran out as the offensive dragged to a stop.

Looking impressive for the winners were: Boyle, J. George,

McMullin and Chisome. U.N.B. stalwarts were: Auger, Clarke, Bird Smith and Mc-

moment undefeated in league play and comes highly recommended. If the Red Bombers win the result will be a three way tie for

If they lose, the Bombers will be left in third place as Trojans and St. Thomas strive for the league leadership, for scheduled

With this weekend play in the U.N.B.C.R.F.U. bringing to a close the regular schedule for the five team loop, the semifinals will commence on the following weekend Nov. 6th. These semifinal will be sudden death affairs with the first and fourth place club, and second with the third.

In all probability there will be a game at College Field on

* * * BIG PLAYDOWN HERE SAT.

Having won the N.B. championship the U.N.B. soccer team now will go on to meet the Nova Soctia intercollegiate winner here in Fredericton at College Field on Oct 30th. The N.S. winner will be represented by either King's College, Halifax or Acadia University of Wolfville.. This deciding game will be played

This championship game will decide Maritime Intercollegiate soccer supremecy should provide the game fans, young and old alike with a high quality of play! UNB will be defending its six year old unbroken string, and after warming up with the Mt. A. win, should be in very fine form. UNB soccer knocking again on the threshold of the U.N.B. End zone. coach P. Kelly feels that the standard of play has risen steadily and this game should prove the point clearly.

* * * SOCCER DRAWS BIG CROWD

(MT.A. Oct. 23) Winning their sixth consecutive N.B. intercollegiate soccer championship, the UNB team was viewed by a stands filling crowd in Sackville. Blessed by almost ideal playing conditions, the game brought out a very goodly number of spectators who stayed until the final whistle. Considering the quality of the soccer, few people had any inclination to leave.
