view of ascertaining from you privately whether you think there will be any chance of securing the co-operation of the Rockefeller Foundation Trust.

I confess I should like to inspan both the United States and Canada through you by adding your name to our Committee, as ex Minister of Labour for Canada and also as one of the Rockefeller Foundation Trustees.

If we can build a City of Refuge for Belgian refugees pending their repatriation, and at the same time secure for our own people the advantage ^{learning the methods} ^{case making the} of Belgian knowledge of intensive agriculture, which ~~will which make their country the largest agricultural producing country in the world,~~ we shall be doing a big thing the effects of which will be beneficial not only to us but to the whole world.

I remain,

Yours very sincerely,

*This has been hurriedly
dictated - & I am rather
shamed of sending it in so
crude a form.*
