Ottawa, January 30, 1907.

Sir : -

With reference to your letter of the 11th instant I have to say that the revolver which you forwarded to the Department as being unfit for use was sent to the Commissioner of Dominion Police, who had a new trigger-spring placed in it and reports that it is now practically as good as ever it was.

The revolver is therefore being returned to you by mail of this date.

Your obedient servant,

Secretary.

Joseph Perillard, Esq.,

Indian Agent,
