

Winter still check'd each little warbler's strain :
 Mute was the grove, and mute the shelter'd vale ;
 No mingled concert floated in the gale.
 But now another scene arrests the sight ;
 The fields look gay, the woods are all delight :
 From every hedge the self-taught songsters cheer,
 With hymns of gratitude the coming year.
 The linnet carols o'er the furze-clad hill ;

New Moon 6th day 1h. 10 m. morning.
 First Quarter 12th day 3h. 39 m. morning.
 Full Moon 19th day, 10h. 57 m. morning.
 Last Quarter 27th day 1h. 32 m. afternoon.
