## THIRTIETH ANNUAL MEETING.

The thirtieth annual meeting of the Boys' Home was held at the Home in George Street, on Tuesday, March 19th, 1890.

Among those present were Sir Daniel Wilson, Rev. Dr. McLaren, Rev. H. J. Winterbourne, Dr. J. G. Hodgins, Mr J. L. Hughes, Mr. S. B. Brush, Rev. Canon DuMoulin, Rev. Dr. Stafford, Rev. Dr. Parsons, Mr. John J. Withrow, Mr. S. H. Baird, Dr. Thorburn.

On motion of Dr. Stafford, Dr. Hodgins was called to the chair, after which Dr. Parsons opened the meeting with prayer.

Regrets were read from the Mayor, the Right Revd. the Archbishop of Toronto, Mr. Goldwin Smith, Col. Gzowski, Dr. Potts, Rev. Arthur Baldwin, Dr. Kellogg and Ex-Mayor Manning.

The Chairman called upon the Rev. H. J. Winterbourne to read the 30th Annual Report.

The Committee of Management, in presenting to their patrons and the public, this their 30th annual report, for the year ending 31st of December 1889, feel it their duty to preface the details of the year's working, by chronicling the many very sad losses, through death, they have sustained in the active Executive of the Home—vacancies which they can never hope to fill with the same untiring perseverance, and patience, towards the achievement of so much good result, as characterized the labors of those they now mourn.

It would almost seem, that the history of the Home had reached a new epoch, when they have to issue the annual report and omit the names of those, who from the beginning of the work in 1860, or nearly thirty years ago, have been so prominently associated in the administration of its affairs, and expended through both prosperity and adversity, the tokens of charity which their kind friends from year to year have placed in their hands for the continuance of the good work being accomplished by the "Boys' Home."
