

# THE LITERARY TRANSCRIPT.

(From the Quebec Gazette of yesterday.)

We are authorized to state that His Excellency the Governor General is actively engaged in the preparation of measures, which will, as soon as it may be possible, be embodied in Ordinances of the Governor and Special Council, relative to a Jury Law, a Bankrupt Law, Police for Quebec and Montreal, Municipal Institution for the whole Province, General Education, the Establishment of Registry Offices, and the equitable commutation of feudal tenures.

Her Majesty's Coronation was celebrated yesterday, with every mark of respect, from the Military and Naval force here, and the citizens. We regret that other avocations prevent us from giving to-day a description of the ceremonies on this occasion.

The Coronations of their late Majesties, GEORGE IV. and WILLIAM IV. were not celebrated here.

## VICTORIA HOUSE.

(RUE SOUS-LE-FORT—QUEBEC.)

GEORGE ARNOLD, PROPRIETOR.

Is now open for the reception of visitors. The situation and accommodations of the premises combine advantages unequalled by any similar establishment in Quebec, and unsurpassed in the Canadas. The arrangements have been made under the immediate superintendence of the proprietor and as the business will be conducted by himself personally every attention will be ensured to those who may favor him with their visits. To those gentlemen in particular who are connected with the business of the port, the situation of the premises, in the direct vicinity of the Steam-Boat Wharves, and Custom House, offers great advantages; and to the public in general, the arrangements of the establishment are such as to present every convenience. On the ground floor are an extensive Saloon and Reading Room. On the first floor are two spacious rooms, which by means of folding doors between, may, when required, be converted, into one magnificent apartment of 70 feet by 32 feet, and 13 feet high; dimension which render it a most eligible place for meetings, &c. The numerous apartments contained in the three upper stories are fitted up for the accommodation of families and individuals. A spacious gallery on the roof commands a splendid view of the harbor of Quebec and the surrounding country.

The Wines and other liquors of the establishment will be of the 6<sup>th</sup> order; refreshments of all kinds may be had throughout the day; and it will be the study of the proprietor, in providing for his guests, to combine moderate charges, and superior accommodation.

Quebec, 28d June, 1838.

GEO. ARNOLD.

NOTE.—Lumber Merchants and others connected with that branch of commerce, will meet with every accommodation and attention, at the above establishment, the proprietor having for many years past had an extensive acquaintance with parties in that line, from the Upper Province and the United States.

## PROSPECTUS

OF  
THE LITERARY GARLAND,  
A Monthly Magazine,  
TO BE DEVOTED TO LITERATURE AND SCIENCE.

WHILE so many publications of a political character find a liberal support in public indulgence and generosity, it surely will not be deemed presumptuous to hope that one of a purely literary nature may find a corresponding degree of favor and encouragement; and, as it would, to form a species of relaxation from the tedium of political speculation, and to enliven, if in a trifling degree, some of the hours which might otherwise be burthened with ennui.

In this hope, it is proposed, by an Amateur in Literary Horticulture, to devote a few leisure hours to the cultivation of the nearly broken ground of Canadian Literature, fearing not that a field so fair and promising will fail to yield an abundant return for the labour expended in reclaiming it. He does not scruple to confess, that the flowers with which the literary garden will, for a time, be decked, will be principally allied and borrowed from the parterres of more productive climes; but, as such only will be selected as can be selected as can be readily acclimated, there is little danger but that they will expand as fully as in their native soil, while, by imploring in native hearts the germ of honorable emulation, they may assist in fostering into strength a growth of native flowers as rich and luxuriant as the most beautiful of their foreign rivals.

With this view, it is proposed to issue, monthly, a Magazine corresponding to the above title, containing the usual variety of poetry and prose, of tales and sketches, historical and fictitious, with occasionally a mechanical or philosophical treatise, which, by blending instruction with amusement, will, as well as the draw ing-room, for the latter of which, however, it is of course more particularly designed; the work will consist of forty-eight royal octavo pages, and will be printed on good paper, with beautiful new type, and in as fair a style as it is possible to attain. The price is fixed at Three Dollars a year to city subscribers—postage being, as matter of course, added to those who favour us with orders from the country. The first number will be issued as soon as a sufficient number of subscribers have been obtained to guarantee a reimbursement of the funds expended in the mechanical part of the undertaking.

No payments will be expected before the appearance of the ninth number, between which period and the publication of the twelfth, it is confidently anticipated that all subscriptions will be cheerfully paid. Should the hope of the publisher of the success of the undertaking be realized, it is intended to enlarge and beautify the work with Music, Engravings, &c. so as to render it unsurpassed by any American publication.

The Magazine will be printed and published by the undersigned, at Montreal, by whom all letters and orders, postage paid, will be attended to with gratitude and punctuality.
