"THE DAWN OF A TO-MORROW"

The war having ended so happily it is believed that a better world will rise out of the ruin—more of beneficence, equality, fraternity and sympathy with "the other fellow" will prevail in the great "to-morrow" that is dawning. Life insurance embodies these great conceptions and will be one of the big movements that "will come into its own." Now is the time to make life insurance your life work. The war has given the institution of life insurance a great impulse and it is appreciated to-day as never before. It is a calling for men of the highest abilities and the finest character. Sell life insurance; and sell Mutual Life Insurance, for the Mutual system is popular because it is based upon strictly democratic principles. If not as an agent then as a member you will be welcomed into our organization.
