BEGBS to announce that he is breaking a superb collection of Pence Ceylon, which contains a magnificent range of shades, and is offering same at remarkably low prices.

He will be pleased to submit selections on approval to responsible persons. It is very difficult to quote prices for the early imperforate issue, as so much depends upon condition. Prices below may be taken as a criterion, which are for fine copies.

Compare these prices with current catalogues. Most all other varieties in stock, including rarities, also fine lot unused, prices on application.

G. C. G. has also a splendid series of books of British Colonials, European and American ready for approval at greatly reduced rates, which in most cases are 50% to 75% below catalogue.

Having one of the largest stocks of obsolete issues, he is able to supply Collectors on most favorable terms.

Special line of books for beginners and medium Collectors. These are full of bargains, stamps priced in many cases considerably under catalogue and 50% discount allowed.

Approval with pleasure. Trial solicited.
