RAVENSDALE AYRSHIRES
Those who attended the great Brampton Show and Sale know from first hand experience something of the class Ayrshires that represented the Ravensdale Stock Farm. Farm and Dairy readers in general are familiar with the splendid breed with this splendid herd, a full description of which appeared in the Special Dairy Number of April 10. Mr. F. Kay, proprietor of the Ravensdale Stock Farm, has spared no efforts to build up a herd that can stand up to none.

In the class for mature cows at Ormstown, the best cow of the first and third places. In a class particularly of world beaters, third place was won on here on bull calves, second and fourth positions went to Ravensdale entries. Mr. Kay is offering for sale a number of bull calves from three to eight months old equally as good as those sold at the Ormstown sale.

PROBABLY AYRSHIRE SALE
Mr. Wm. Thorn, of Lyndoch, the well-known Ayrshire breeder, is thinking of holding a dispersion of his cows. A group of financiers in Toronto are purchasing all the land in the vicinity of

Who Has Got This Breed of Pig?
Farm and Dairy, Peterboro, Ont.
Dear Sirs—Can you advise me where I can get some purchased or bred pigs of this breed, about eight weeks old or thereabouts?
I would prefer to have the O. C. or the Improved; Pedigree if there is such in the Chester White line. Could you give me some of the names of breeders of such stock a little notice in Farm and Dairy, asking for same? Same to correspond with the undersigned. Yours truly,

Chas. B. Eitz, Genier Co., Ont.

There are probably a great many of our readers who would like to know where to buy this class of pigs. Have you any for sale? It would pay you to advertise them in Farm and Dairy.

Other breeds of swine can also be advertised in your paper in Farm and Dairy. Fix up your ad, now when you are thinking of it, and send it in for next issue. It will cost you only \$1.40 per inch each insertion to tell over 18,000 of our people what you have for sale. This is your opportunity. Crisp it now, and have your ad in Farm and Dairy for several issues.
