

The Fence You Can Depend On

Peerless is **better** fence because it is made on right principles, from good material, by good workmen—in a well equipped factory.

The **PEERLESS** lock holds the horizontal and cross wires securely at each intersection. Ample provision is made for contraction and expansion due to sudden changes of temperature, sudden shocks, etc.

THE BANWELL HOXIE WIRE FENCE COMPANY, Ltd.
Dept. B, Hamilton, Ont. or Winnipeg, Man.

PEERLESS Fence is made of all No. 9 hard steel wire—well galvanized. When well stretched it never sags—never bags—looks well and wears well. That's why it is "the fence that saves expense."

Improved farm equipment means larger profits for the farmer. PEERLESS Woven Wire Fencing is the latest improvement in farm fencing.

Our free booklet will tell something new about fencing. A postal card will bring it.

VIM, VIGOR, VICTORY

Hurrah for the winner! It takes nerve and red blood to win! Success to the athlete, success to men in every walk of life depends upon Vim and Vigor as much as good generalship. The "staying quality," the tenacity of purpose, that carry off the honors in the field of athletics are born of a vigorous nervous system, powerful muscles and a bounding pulse, and it's these same qualities that constitute the foundation of success in every occupation. Rightly the world heaps honors upon the men of "push" and frown upon failure. "Victory to the brave, the battle to the strong."

Many a successful man of to-day—you can find him in the workshop, the mill, on the farm, or holding high official position—remembers the time he sought my aid and dates his success, his happiness in life, from the time he discovered and applied my grand remedy, ELECTRICITY. This wonderful force, when applied with the Dr. McLaughlin Electric Belt, is Nature's True Invigorator. It has made thousands of weak men strong and vigorous; has enabled them to turn defeat into victory; to achieve the success in this world that comes only to him who is able to put up a strong fight, a long fight, to conquer the obstacles that are ever in the path to fame and fortune.

The most powerful factor that has made my business a success is the warm recommendation given to my appliance by the men who have used it, and I continually place this evidence before you, day after day, week after week, month after month. You know you are not the man you ought to be. You don't want to be a "misfit" forever. In this day of vast opportunities you can't afford to be merely a spectator all your life. Get some "live wires" in your system! Build up your "Nerve Power" by a constant steady infusion of the Electric Current, night after night, for a few weeks. Use the Dr. McLaughlin Electric Belt! It has transformed thousands of physical wrecks into successful men and women in the past, and is doing the same work to-day. Get on the "firing line"! Strike out to the right, to the left, and the world will make way for you! Just read what people say who take my advice and use this Belt:

Dear Sir,—I am very thankful to say that I feel much better, both in strength and health. My back doesn't hurt like it was, for I can do a day's work now much easier than I could before using your Belt. I wake up in the morning feeling fresh, not like before when I had that languid feeling. I have more life in me now. I am well satisfied with the Belt. I only wish I had obtained it before.

Yours truly,

A RICKARDS, Petersburg, Ont.

Dear Sir,—I am pleased to tell you that I am able to follow the team all day. The money I paid you for your Belt was the best investment that I ever made. When I got your Belt, I had to use crutches to get around, and now I am able to do all kinds of farm work. I remain,

Yours truly,

GEORGE McKAY,
Box 325, Owen Sound, Ont.

Dear Sir,—I am glad to say that I am completely cured of my rheumatism by the use of your Belt. I certainly felt the benefit of it, and am glad to say that I have not needed the use of it for three years, so that I feel quite clear of it now. I answer any letters written to me about the Belt. Wishing you much success in your business, I remain,

Yours truly,

JOHN CRAWLEY,
Collingwood, Ont.

YOU NEED NOT PAY UNTIL CURED.

As pronounced are my cures, so strong is my faith in my Belt to cure the human ills, that I do not hesitate to make you this offer. All I ask is that you give me security for the Belt while you wear it.

GEORGE J. JOHNSON, of Well Ont., says—"I used one of your Belts five years ago. I could not get any more. I never lost a day, or an hour. I got part with it at any time and I got another."
