EXPERIENCE

missionary in New York, and brother of the late eminent Judge Wilds, of the Massachusetts Supreme Court, writes

as follows:

"78 E.5th St., New York, May 16, 1882.

Messes. J. C. Aver & Co., Gentlemen:

Last winter I was troubled with a most uncomfortable itching humor affecting more especially my limbs, which itched so intolerably at might, and burned so intensely, that I could scarcely bear any elothing over them. I was also a sufferer from a severe catarrh and catarrhal cough; my appetite was poor, and my system a good deal run down. Knowing the value of Ayer's Sarsaparilla, by observation of many other cases, and from personal use in former years, I began taking it for the above-named disorders. My appetite improved almost from the first dose. After a short time the fever and itching were also cured by the same means, and my general health greatly improved, until it is now excellent. In feel a hundred per cent stronger, and I attribute these results to the use of the Sarsaparilla, which I recommend with all confidence as the best blood medicine ever devised. I took it in small doses three times a day, and used, in all, less than two bottles. I place these facts at your service, hoping their publication may do good.

Yours respectfully, Z. P. Wilds."

The above instance is but one of the many constantly coming to our notice, which prove the perfect adaptability of AYER's SARSA-PARILLA to the cure of all diseases arising from impure or impoverished blood, and a weakened vitality.

Ayer's Sarsaparilla cleanses, enriches, and strengthens the blood, stimulates the action of the stomach and bowels, and thereby enables the system to resist and overcome the attacks of all Scrafulous Diseases, Eruptions of the Skin, Rheumatism, Catarrh, General Debility, and all disorders resulting from poor or corrupted blood and a low state of the system.

I have great pleasure in saying that the medicine made by you has greatly benefited my wife.
