(To be continued.)

TRUST IN JESUS.—A doctor, who was once visiting a Christian patient, had himself long been anxious to feel that he was at peace with God. The Spirit of God had convinced him of his sin and need, and he longed to possess "that peace which the world cannot give." On this occasion, addressing himself to the sick one, he said, "I want you just to tell me what it is, this believing and getting happiness—faith in Jesus and all that sort of thing, that brings peace."

The patient replied "Doctor, I have felt that I could do nothing, and I have put my case in your hands—I am trusting in you. This is exactly what every poor sinner must do in the Lord Jesus."

This reply greatly awakened the doctor's surprise, and a new light broke in upon his soul. "Is that all? Simply trusting in the Lord Jesus, who has done the work!"

Yes, Jesus said on the Cross, "It is finished," and "whosoever believeth in Me shall not perish, but have everlasting life!"

From that sick bed the doctor went a happy man—rejoicing that his sins were washed away in the blood of the Lamb.

WORKINGMEN.—Before you begin your heavy spring work after a winter of relaxation, your system needs cleansing and strengthening to prevent an attack of Ague, Bilious or Spring Fever, or some other Spring sickness that will unfit you for a season's work. You will save time, much sickness and great expense if you will use one bottle of Hop Bitters in you family this month. Don't wait.—*Burlington Hawkeye.*

WHAT TO STUDY.—Pope, the poetical philosopher said: "The proper study of mankind is man," and yet, how little is the real science of man studied. If people understood and heeded the laws of health, and if when out of sorts would resort to a common sense like Burdock Blood Bitters, many of the "ills that flesh is heir to" might be effectually remedied. It invigorates and regulates all the secretions to a healthy action.

THE ELECTRIC LIGHT, superseding as it does all other modes of illumination, and rivalled only by the glorious sunshine, will not be hailed with greater joy by mankind than is Burdock Blood Bitters, which is as far superior to all other blood purifiers and tonics as the electric light is superior to the old fashioned tallow dip. Burdock Blood Bitters cures Scrofula, and all foul humors and impurities of the blood.

THE TONTINE INVESTMENT POLICY

The Tontine Investment Policy of The North American Mutual Insurance Company combines in one form the greatest number of advantages attainable in a Life Insurance Policy. It appeals at once to the intelligence of all who understand the principles and practice of Life Insurance.

All Policies whether on Life or Endowment Rates, are subject to no higher charge in Premium Rates, in taking the "Tontine Investment" form.

The extra benefits of this are conditioned only upon continuance of the Policy for a certain specified term or Tontine period of ten, fifteen or twenty years, selected by the insured himself.

Two things most desired in Life Insurance are the certainty of protection in early death, and profit in long life. These are combined in the "Tontine Investment Policy" of the North American Mutual Life Insurance Co., which also issues Annuities and all the ordinary approved forms of Life Policies.
