MONTREAL, *March*, 1857.

SIR,

I have the honor to request that you will do me the favor to present to His Excellency the Governor General, the accompanying Reports, showing the progress made in the Geological Survey of the Province, in the years 1853, 1854, 1855 and 1856.

The Reports are accompanied by Maps, in eleven lithographed sheets, shewing the explorations of the Muskoka, the Petewahweh, the Bonne-Chère, the South-West Branch of the Madawaska, and the sources of the Ottonabee; and by three Maps in manuscript, one of them a large one, illustrating Lake Nipissing and several rivers of the surrounding country.

All the Maps are required for the proper understanding of the Reports.
