HAD A FINE TRIP

Mr. Thomas Hendry Returns From St. Andrews-on-the-Sea.

Mr. Thos. Hendry returned on Sunday from St. Andrews-on-the-Sea, New Brunswick, where he had a delightful time with representatives of the Sun Life Assurance Company. Mr. Hendry returned through Maine to Quebec on a special train, reaching Sherbrooke just at the time the Shaw special was expected. He states that he never saw such a demonstration as the Quebec people were waiting to give the fugitive. Hundreds of people watched the newspaper bulletins continually. Mr. Hendry's trip completed his travels from coast to coast in recent years, and the fashionable homes of Sir Thomas Shaughnessy and Sir William Van Horne were a revelation to him. The trip was all the more enjoyable because of the announcement which was made that Mr. Hendry had finished fourth in the Dominion among the successful representatives of the Sun Life Company.

TUTELA BRANCH WOMEN'S INSTITUTE

A most interesting meeting of the Tutela Branch of the Women's Institute was held at the home of Mrs. R. R. Birkett on Tuesday last. The district President and vice-president gave short pointed addresses on the work of the Women's Institute. Mrs. Sherman of Williamsburg, Iowa, also gave a short talk appreciative of the work done by this particular branch. Dr. E. C. Ashton gave an instructive address on tubercular troubles, its cause, mode of treatment, results from such treatment and the present campaign being waged against this "Great White Plague," making plain to the ladies how they individually could help in educating others of the dangers pertaining to this disease, and collectively helping the unfortunate ones in our own county. A vote of thanks was tendered Dr. Ashton for his excellent and much appreciated address.

Miss A. Heath, Mrs. Robins and Mrs. McIntyre took charge of the musical part of the programme, delighting all present with their well chosen and finely rendered numbers. After the singing of God-Save the King, all enjoyed the social hospitality of the hostess.

The next meeting will be held on October 7th at the home of Mrs. H. McIntyre, Tutela Heights.

Fire Bugs Active.

MONTREAL, Sept. 8.—In an attempt to run to earth a number of men, who are thought to be operating as arsonists here, the Canadian Fire Underwriters' Association has offered a reward of \$500 for information which will lead to the conviction of the incendiary or incendiaries responsible for a number of recent fires in Montreal.

DAILY FASHION HINT.

Lady's Dress.

The dress pattern, No. 6312, is cut in sizes 34 to 42 inches bust measure. Medium size requires 4 1/2 yards of 36 inch material for the dress and 1/2 yard of 36 inch lining and 1/2 yard of 22 inch net for the yoke.

Bad Accident to Jessie Coulbeck

Caught in Forehead With Sharp Tooth From Separator.

Jesse Coulbeck, a farmer who resides about 4 miles from the city on the second concession past White School House, met with a very painful accident on Saturday shortly after 3 o'clock.

He was at the farm of Clayton Drake on the Governor's road, assisting him in his threshing. Mr. Coulbeck was feeding the sheaves to the separator when one of the teeth in the cyclinder flew out and struck him square in the forehead, inflicting a deep gash in his head. The steel tooth sunk into the flesh and Mr. Coulbeck was knocked unconscious. It is a miracle that he was not instantly killed.

Dr. Beaton of St. George and Dr. Secord of this city were summoned and attended his injury.

Mr. Coulbeck is reported this morning to be resting somewhat easier and out of danger.

Obituary

Leah Jones

A very sad death occurred in the city on Tuesday, the 2nd inst. when little Leah Jones, aged 5 years, passed away at the residence of her parents, 239 Wellington St. after many weeks patient suffering, which she bore so well.

The loss her relatives and friends have to suffer will never be forgotten. She always won great affection with whom she came in contact, being of a very friendly and most sweet disposition. But with all the kind efforts of loving hands, who did all in their power to revive her, all was in vain.

The funeral took place Thursday from the late residence to the family plot at Hagersville.

Floral tributes were of a very choice quality, sent by her many friends. The deepest sympathy is extended by all to the sorrowing family in their sad bereavement.
