

## I.O.D.E. SOCKS APPRECIATED

Letter From Y.M.C.A. Headquarters in France To Local Chapter

The following letter from Y. M. C. A. Headquarters, Can. Corps, B. E. F. France, has been received by Dufferin Rifle Chapter, I.O.D.E., Brantford.

I want to write to the Chapter direct, thanking the members for the parcel of socks and assuring you all that your splendid work for the Canadian boys in France, is indeed appreciated.

Reports come to use occasionally that an impression is abroad in some quarters that the boys who receive these socks have been known to sell them and I personally know of one instance in which the Y.M.C.A. was questioned on this point. As far as I have been able to judge, I think the socks are only given as needed, and if they have been sold by the boys at any time, the parties responsible for the distribution of them, have certainly had no knowledge of the fact. The ruling is severe on this point, and I would say such cases have been rare. If perchance a report has reached you at any time, accusing the Y.M.C.A. of selling socks, I can assure you most emphatically that such a report has absolutely no foundation whatsoever. As an Association, we do not handle socks, even to distribute them. If they are received, as I have received them recently from you, they are distributed personally by the Y. M. C. A. officer in whose care they are sent. I suppose you are always anxious to hear all that can be known at home in Canada regarding the boys in France, and particularly those from Brantford. Letters you receive from the front are in so many ways unsatisfactory and the things which perhaps you would really like the boys to tell you, they cannot talk about. Probably you have heard of the boy who, said:

"Dear Mother—We've arrived at the place we were coming to, when we left the place we were at, and this place is much like the place we left before coming to the place we are at, so I guess you will know exactly where we are."

When in England I was not stationed in Witley Camp, and therefore did not meet a large number of Brantford boys. While in England, however, and since coming to France last August, I have met a

few that perhaps you will be interested in hearing of.

In England I met Maxwell Smith, a son of Hudson Smith. He is now in France with the Signallers, but I have not met him since coming to France. Douglas Hamilton, a son of Rev. D. K. Hamilton, Don Waters, Jack Orr, Morrison Smith and Clifford Stiem were all looking well when I saw them, although that is a year ago now. I hear, however, that they are all well. Jack Orr, who is now in France, is long far from me, and I have seen him a number of times. He is in the same battalion as Harry Westbrook from Mt. Pleasant, and the Chaplain of the same unit is Rev. Geo. McDonald, son of Mr. McDonald of Peel street, Clayton Smale, and Henry Gibbs, both of Eagle Place, were looking fine when I saw them last summer. Capt. McKee, the Rector of Trinity Church, is the originally chaplain of the 21st Battalion, was with me in Shorncliffe last summer, and also Sgt. Sherman Weaver, son of Mr. E. Weaver, Eagle Ave., Clayton Alcock of Wellington Street, now in the 8th Brigade C.F.A., had tea with me recently, and Lloyd Tomlinson of Eagle Place, now in France with the 3rd D.A.C., is not far from me at present. Sgt. Lloyd Houlden, whose home is in Hamilton, but who has relatives in Brantford, is now with the Y.M.C.A. in the same division as myself. Capt. Geo. Easton is with the Y.M.C.A. 3rd Division. His home is not in Brantford, but when a student at Knox College he supplied for Rev. Mr. McIntosh in Alexander church during a summer period. Major J. C. Toland, who years ago was a Presbyterian minister in Brantford, is now in France, acting as paymaster for the C.A.M.C. in one of the Divisions. The thing which reminds us out here that we are a long way from home is indeed the country, customs and conditions, much more than the absence of home friends. We have had really a mild winter and now spring is very near. We are all looking for "big doings" before long, and while the boys are all hoping the war will end before another winter, they realize the great possibility of this not being the case. They are, however, bright-spirited and confident.

Knowing that you are interested in the needs of the men in France I am going to make a suggestion, if I may. I know that the men have difficulty getting woolen gloves or mitts and these knitted all in one cotton, or khaki or even dark grey. I am sure would be appreciated for another winter. Again thanking you and with all good wishes for your

## THE SPRING TONIC FOR PALE, THIN PEOPLE

If You Want to Gain in Weight and Recover Your Appetite, Energy and Ambition, Try This Well Known Remedy.

With the passing of winter many people feel weak, depressed and easily tired. The body lacks that vital force and energy which pure blood alone can give. In a word, while not exactly sick, the indoor life of winter has left its mark upon them, and a blood-building, nerve-restoring tonic is needed to give renewed health and energy. Dr. Williams' Pink Pills are an all-year-round blood builder and nerve tonic, but they are especially useful in the spring. Every dose helps to make new, rich, red blood, and with this new blood returning strength, cheerfulness and good health quickly follows.

If you are pale and sallow, easily tired, or breathless at the least exertion; if your complexion is poor, or if you are troubled with pimples or eruptions, Dr. Williams' Pink Pills are just what you need to put you right. If you have twinges of rheumatism, are subject to headaches or backaches, if you are irritable or nervous, if your sleep does not refresh you, or your appetite is poor, you need the treatment which Dr. Williams' Pink Pills alone can give—you need the new blood, new health and new energy this medicine always brings.

### A COMPLETE WRECK

Mrs. C. Forsythe, R. R. No. 2, Fisherville, Ont., says: "At the age of fourteen my daughter Viola was feeling very much run down in the spring. Then she was attacked with whooping cough which left her a complete wreck. She had no appetite, could not sleep well nights and was subject to chills which sometimes kept her in bed for the day. She was doctoring steadily, but not apparently getting the least benefit, and I naturally grew very anxious. One of my neighbors suggested giving her Dr. Williams' Pink Pills, and I got a box. When she began using the pills she weighed only 87 pounds. Before the box was all gone I sent and got six more boxes and under their use she constantly grew stronger. Her appetite improved, the color came back to her cheeks, she could sleep well, and feels and looks like a different person, and with all this while using the pills she gained 20 pounds in weight."

### A SALLOW COMPLEXION

Miss Gladys Marshall, Chatham, Ont., says: "I suffered from nervousness and my blood was in a very poor condition. My face broke out in pimples and my complexion was very sallow. I took doctors' medicine but without beneficial results. I was feeling much discouraged when a friend recommended Dr. Williams' Pink Pills. I used in all six boxes, and was overjoyed to find that my complexion had become quite clear, pimples had disappeared, my nerves were strengthened and my old-time health and ambition returned. I shall always have a good word to say for Dr. Williams' Pink Pills."

Notwithstanding the increased cost of all drugs, there has been no change in the price of our Dr. Williams' Pink Pills. They can be had through any medicine dealer at 50 cents a box, or six boxes for \$2.50, or will be sent on receipt of price by The Dr. Williams' Medicine Co., Brockville, Ont.

### GAINED IN WEIGHT.

Mrs. M. B. Rickert, Kitchener, Ont., says: "I was weak, run down, and losing weight when I began using Dr. Williams' Pink Pills. I took the pills steadily for a month and the difference they made in my condition was most gratifying. I gained both in strength and weight, and feel since I used the pills like a new person. I also recommended the use of the pills to my daughter-in-law, who was pale, thin and weak. When she began using the pills she weighed only 103 pounds and when she discontinued their use she weighed 137 pounds. For all weak people I think there is no medicine can equal Dr. Williams' Pink Pills."

### A SPRING COLD.

Mrs. Chas. Winegarden, Delhi, Ont., says: "Last spring my daughter Ruby was taken with a bad cold. She seemed weak, had a constant pain in her side, grew pale and as the remedies usually used in cases of this kind did not help her we feared she was going into a decline. I decided to give her Dr. Williams' Pink Pills and got six boxes. Before she had used them all, she was again well and strong. The cough had left her, she had a good appetite, the pain in her side disappeared, and a nice rosy color had returned to her cheeks. I have therefore much reason to speak warmly in praise of Dr. Williams' Pink Pills."

## BOURGEOIS RADA ASKED GERMANY TO STOP ADVANCE

Teutons Refused, on Pretext of Restoring Order in Ukraine

Moscow, March 28. (By the Associated Press)—According to an unconfirmed report the Ukrainian bourgeois rada (which was responsible for the peace treaty with Russia and is opposed by the Bolshevik rada) has officially requested Germany to stop the advance of her troops in Ukraine, as it tended to shake the confidence of the population in the government. Germany is said to have replied she was invited to restore order and could not leave until this was accomplished. Col. Moutavietz has resigned as commander of the Bolshevik troops in Ukraine and is now in Moscow. He had been succeeded by an officer named Egort.

The Austro-German forces advancing in Ukraine are moving from both the northward and southwest, against Kharkov, a transportation centre, the capture of which would isolate the south of Russia from the north. The Austrians have captured Zaskanka, about 150 miles southwest of Kharkov, and Konotop, an equal distance northwest of that city.

Advices from Dvinsk announce that German officers at a conference presided over by Field Marshal von Hindenburg, reached a decision to continue the operations in Ukraine until the power of the Bolsheviks there had been eliminated. Dispatches from many points in Ukraine indicate that the advance of Austro-German troops and the general confiscation of food stuffs is arousing great antagonism, which is not confined to the Bolsheviks but is being manifested even among those who encouraged the German occupation.

M. M. Witroff, commissioner of railways, has resigned. Admiral Rasvow, commander of the Baltic fleet, has been dismissed because of refusal to obey commands of the Workmen's and Soldier's Deputies.

## Holy Week at St. Basil's Church

Exposition of the Blessed Sacrament Held To-day—Services Good Friday

Holy Thursday was observed at St. Basil's church to-day by an early mass, followed by a procession and exposition of the Blessed Sacrament upon the altar until sundown. All the priests of the city left the morning for Hamilton to attend the ceremonies of the blessing of the holy oils. To-morrow, Good Friday, will be observed by Mass of the Presanctified, followed by veneration of the cross. On Saturday morning the blessing of the fire, water, baptismal font and other articles of church use will take place. The period of Lent ends at noon on Saturday.

## Music and Drama

### "RAMONA."

"Ramona," W. H. Clune's cinema operatic spectacle, reproduced for the theatre from Helen Hunt Jackson's world famous romantic novel of the same name, is a striking example of the superiority of cinematograph to the spoken drama in certain branches of the art of the theatre. More than fifty times great dramatic producers have attempted to transfer the matchless story from book to stage, and every one failed. Headless of this enormous history of attempted adaptation, Mr. Clune used the work for a quarter of a million dollar film spectacle with the original title and it has proved no less a successful venture for him than his participation in the making of "The Birth of a Nation."

"Ramona" will be seen at the Grand Opera House two days, commencing on Good Friday afternoon at 2:30. California scenery, most beautiful in all the world, never has been spread before the eyes of America in such lavish scope and variety as in this costly attraction. Aside from the charm of Mrs. Jackson's romance, which has sold nearly four million copies of the novel, the film spectacle is notable as a superb panorama of wonderful landscapes faithfully and adequately representing California as the garden spot of the universe.

Something like three hundred melodies representing composers of all parts of the world, find place in the remarkable musical score that is an important feature in the production and in all the attraction is one that will be long remembered.

### FILMETS

Reasle Barri-scale never allows her husband Howard Newman, around her dressing-room at the studio. Not since she caught Howard touching up his white shoes with her best powder puff.

Shirley Mason exercises to keep the Victor movie exercises to get thin. Roscoe Arbuckle exercises to keep fat.

Funny of place, this film world, isn't it?

Burglars are barred from films in Ohio by the State Board of Censors. They are still allowed, however, to burglarize your flat while you are at the theatre. What Ohio needs is more coppers and less knockers.

Helen Holmes' adopted baby insists upon having a miniature train to play with. Instead of the usual infantile toys. Ah, well, sometimes we inherit a trait and sometimes we just absorb it from our surroundings!

That big grin on the face of Nature, better known as the Grand Canyon, is said to be slowly closing up. Fairbanks recently made a picnic there, and the G. C. after seeing Doug's smile, probably gave up in despair.

Reverently, and with every manifestation of love and regret upon the part of a large number of personal, sorrowing friends of both families, the remains of Mr. Herbert Yates and Mrs. Alexander Fair, whose passing away within a few hours of one another caused such wide-spread regret, took place yesterday afternoon from "Wynand" to Greenwood cemetery.

A short but impressive service was first held at the family residence.

The Rev. Mr. Potheringham, rector of Grace church, read the opening sentences and Psalm, and the Rev. Mr. Jackson, rector of St. Jude's, the wonderful lesson from the 1st Corinthians, 15th chapter, and the concluding prayers.

At Greenwood, the rector of Grace read the committal service at the graveside of Mr. Yates, and the rector of St. Jude's at that of Mrs. Fair. Among the floral tributes, which were most exquisite, sent by friends throughout the city and province, were beautiful tributes from both the

ladies' and men's golf clubs and from Brant Chapter, I.O.D.E.

The chief mourners were Messrs. Rushton Yates, city, H. H. Yates, Detroit, Harry Fair, Toronto, Vellies, Alex. and Major Fair, Chicago.

The pall bearers for Mr. Yates were His Honor Judge Hardy, Ralph H. Beville, Lt.-Col. Wilkes, J. E. Waterous, A. Kohl and G. D. Watt, and for Mrs. Fair J. W. Bowly, K. C. A. R. Bunnell, W. F. Paterson, Lt.-Col. H. Leonard, A. S. Jones, K. C., and Major Hamilton.

Thus was laid to rest representative residents of Brantford for many years, who will be sorely missed and mourned, not alone in the loving home circles, but by friends many, throughout the city and province.

"After life's fitful fever they will sleep well."

The Roman Catholic new drive south of the line has netted a million and a half dollars so far.
