

CONSUMPTION

Do not think for a single moment that consumption will strike you a sudden blow. It does not come that way. It creeps its way along. First you think it is a little cold, nothing but a little hacking cough; then a little loss in weight; then a fever and the night sweats. Better stop the disease while it is yet creeping. Better cure your cough today.

Ayer's Cherry Pectoral

The pressure on the chest is lifted, that feeling of suffocation is removed, and you are cured. You can stop that little cold with a 25 cent bottle; harder coughs will need a 50 cent size; if it's on the lungs the one dollar size will be most economical.

"I confidently recommend Ayer's Cherry Pectoral to all my patients. I am using it now in my own family. Forty years ago I feel sure it saved my life." A. S. EMMETT, M.D., Jan. 4, 1898, Fort Madison, Iowa.

We have received information that some parties said to be from Wolfville have been shooting on Sundays of late near the Davison Lake, much to the annoyance of people living in that vicinity. This should not be. There is a law against thus disturbing the peace of the Sabbath, and the enforcement of such law would have a good influence.

The barquentine Bahama, Capt. J. A. Anderson, owned by Potter Bros. Canning, bound from St. John to Hillsboro, capsized off Mouth Petitcodiac, and when last seen was floating bottom up in the stream. Four men and two women are said to have landed at Harvey, but at midnight no information could be got as to their names or concerning the fate of others on board. Capt. Anderson is from Nova Scotia.

Rev. L. D. Morse, Baptist Missionary at Bimlipatam, who with his wife are spending their vacation from their labors in Nova Scotia, and recruiting their health, preached two very interesting and powerful sermons in the Baptist church here Sunday. Mr. Morse also addressed the Sunday School children. Over \$50 was realized during the services for missionary work.

The Methodist tea-meeting on last Thursday and Friday was very successful, and one of the most enjoyable ever held in the old foundry building. The Hantsport band gave a good program of music and other sources of entertainment were an artistic and comical collection of exhibits and gramophone selections. The usual good things were on sale. About \$163 were realized, to be devoted towards recasting the Methodist place of worship.

Edward Wheaton, son of Capt. Daniel Wheaton, while recklessly racing on horseback on Main street last Friday, fell from the horse. In falling he tumbled through the reins and by some means the horse stumbled at the same time, and the reins around the boy pulled the horse on top of him, across his breast. Horace Davison seeing the accident, ran out to him and with the help of Mr. Pentz succeeded in extricating the injured boy from his predicament. It is a great wonder no bones were broken. Dr. Margeson attended him, and young Wheaton is doing nicely and will be around in a few weeks or so.

Wedding Bells

Marshall Smith

The residence of Mr. and Mrs. L. M. Smith, Cheverie, last Wednesday afternoon was the scene of a pretty home wedding. The happy couple were Percy H. Marshall of Middleton and Miss Mina Smith, daughter of the above named.

Rev. M. C. Higgins of the Kempt Baptist Church performed the ceremony. The bride was charmingly dressed in a traveling costume of a castor shade. After congratulations by the relatives and friends present, Mr. and Mrs. Marshall were driven to Windsor, where they boarded the evening express for their future home in Middleton. Numerous and costly wedding presents were tokens of esteem in which the popular pair are held.

SECRETARY

The Rev. R. O. Armstrong of Brooklyn, then spoke on Consecration, after which Mrs. Nalder of Windsor, addressed the meeting, speaking about the responsibility of Teacher and Missions in connection with Sunday School work. Regrets of convention were expressed in a few well chosen words by Mr. John A. Scott on the withdrawal of the Field Secretary, Mr. Sanford. After reports from the various committees, the meeting of this session was brought to a close.

The evening session opened with prayer and praise service led by Mr. John A. Scott, St. Croix. Following this was an address by Mr. O. M. Sanford on The Efficient Teacher and presentation of diplomas. The Wonderful Book was the subject of an address given by the Rev. Wm. Dobson and so much enjoyed by all present. The Rev. G. O. Gaetz, D. D., then spoke on the Duty of the Church to the School. Prayer and benediction brought to a close the last meeting of the convention.

Mrs. Nalder of Windsor, addressed a meeting here last Sunday evening on missions.

RHEUMATIC PAINS

CAUSED BY AN IMPURE CONDITION OF THE BLOOD

If Neglected They Will Grow Worse and Serious Results Will Follow—Rheumatism Can Be Permanently Cured.

From the Telegraph, Quebec.

Rheumatism is one of the most common and at the same time one of the most painful affections from which humanity suffers. It affects the joints and muscles, and is characterized, even in its simplest form, by a dull constant pain. While it remains in the joints and muscles, it is sufficiently painful and distressing, but as it is liable to attack the vital organs, such as the heart, the disease becomes a source of danger, and in many instances it has proved fatal. Dr. Williams' Pink Pills possess qualities for the cure of this disease which are unequalled by any other medicine.

Mr. Cyrus Lamond, a well known resident of Stadacona, Que., bears testimony to the wonderful curative powers of these pills. To a reporter of the Telegraph, he gave the following story:—Until some three years ago I always enjoyed the best of health, but about that time I was attacked with what proved from the outset to be a severe case of rheumatism, from which I suffered great torture. I tried a number of the supposed cures for this disease, but none of them benefited me. I seemed to be constantly growing worse, so I called a physician, but as his treatment did not give me relief, I sought the assistance of two other doctors, but they also failed to help me. My appetite left me; my strength gradually ebbed away; one of my legs was drawn out of shape, and I was never free from pain. I was in despair of ever being well again, when one day a relative brought me a box of Dr. Williams' Pink Pills and urged me to take them. He seemed to have such great confidence in these pills that I determined to follow his advice. To-day I am happy that I did so, for with the use of less than a dozen boxes of these pills the pain from which I suffered so much is all gone, and I feel stronger and healthier than I did before. This I owe to Dr. Williams' Pink Pills, and I would strongly urge similar sufferers to give them a trial.

Experience has proven Dr. Williams' Pink Pills to be without an equal as a blood builder and nerve restorer. It is this power of acting directly on the blood and nerves that enables these pills to cure such diseases as locomotor ataxia, paralysis, and all the ordinary diseases of the blood and nerves. These pills are sold by all dealers in medicine, or can be had by mail, postpaid, at 50c. a box, or six boxes for \$2.50, by addressing the Dr. Williams Medicine Co., Brockville, Ont.
