WOLFVILLE, NOVA SCOTIA, THURSDAY, JUNE 12, 1924  
\$2.00, payable in advance

## WEDDING BELLS

### ROGERS-KEIRSTEAD

The marriage took place on Saturday, June 7th, at 1.15 p. m. in the Wolfville Baptist church, of Mary Frances Parker Keirstead, only daughter of Rev. Prof. E. M. Keirstead and Mrs. Keirstead, of Toronto, and Prof. Norman McLeod Rogers, second son of Mr. and Mrs. H. W. Rogers of Amherst, N. S.

The church was decorated with apple blossoms, the work of the bride's girl friends, and was a bower of beauty and fragrance. The bride wore a knitted suit of ivory silk with hat to correspond, and was unattended. She carried a shower bouquet of Ophelia roses and lilies of the valley, being proceeded up the aisle by four ushers, the Misses Marguerite and Kathleen DeWitt, Dorothy Holmes and Mrs. Chester McGill, who were attired in dainty gowns of blue, pink and white with hats to match. The bride was given away by her brother, Ronald Keirstead, and the ceremony was performed by her father and Rev. Dr. Chute. After the service, the wedding party returned to the home of Miss Parker, aunt of the bride, leaving almost immediately by motor for a nearby point.

The "honeymoon" will be spent in England.

The bride's travelling suit was of blue-grey tweed, with French hat of blue and grey fur neck piece. The wedding gifts were numerous and beautiful, coming from friends in many parts of Canada and abroad.

## EX-M. P. DEAD

John Howard Sinclair, member of the Board of Directors of the Canadian National Railway, and for many years Liberal member for Guysboro county in the House of Commons, and one of the foremost Nova Scotians of his day, died at his home, New Glasgow, at six o'clock Sunday evening.

## BLOSSOM SUNDAY

### Thousands of Visitors, Many From Distant Points, Enjoy the Beauty of This Favored by Nature Region

With weather conditions ideal and the display of apple-blossoms at its best this region was thronged last Sunday by visitors from far and near. The timely showers of the preceding day, which laid the dust of the roadway and brightened the verdure of dykeland and meadow, added to the attractiveness of the occasion. Many motorists arrived on Saturday evening and the number was augmented by those who began to arrive in the early hours of Sunday morning. Those who have annually witnessed the beauty of the landscape at this season were delighted with an opportunity to repeat the experience, while those who for the first time viewed the wonderful panorama spread out before them enjoyed the perfume of the opened blossoms, were charmed and inspired.

The description given by Charles Hanson Towne, who visited this section in blossom time two years ago, in his interesting book, "Ambling through Acadia," will express the feelings of those who meditate upon the scene: "It was like finding one's self suddenly in a cloud of bloom. What drifts of wonder enveloped us! It is a strange and beautiful sensation to be in so deep an orchard that one cannot see where it begins or ends—something like sailing on a pink and white ocean of tenous blossoms, with no coastline to tell just when the journey will be over. All around us that magical purity, that glory of color and dream. It was as if we wandered in a fairy-tale, the world well lost. What drifts of beauty, what a Niagara of wonder poured their radiance upon us? We melted in joy, bathed in dazzling beauty. Showers of radiance surround us, and through the pink-white blossoms we could see shafts of sunlight falling; and now and then a flake of the loveliness fell upon us, as though a star had lightly touched us on the shoulder. Oh, those clean blossoms! To be so magically amid them, to have them over us, like clouds and drifts of snow, making a very heaven of the good earth!"

"There are moments too wonderful to tell. It seemed to me that all the magic of all time dwelt in these rich orchards, that never could I wish for anything more than the marvel of wandering through these lanes of delight. If but this magic could last forever! If this white glory would never end, this moment abide always!"

## DEATH'S HARVEST

### MISS CATHERINE THOMSON

The death of Miss Catherine Thomson, which occurred at 1 o'clock on Wednesday morning, was learned of with very sincere regret by many friends, whom she had made during her residence in Wolfville. Miss Thomson was a native of Paisley, Ont., and a sister of Mrs. A. M. Wheaton, of this place. She came here to reside with her sister shortly after the latter's marriage, and subsequently went to New York to train as a nurse.

While there she contracted tuberculosis and returning here she went to nursing and returned to Wolfville, British Columbia. There her health improving she finished her training at Vancouver, and after returning East accepted a position in a private hospital in Halifax. Her strength was evidently not equal to her ambition and she was obliged to return to Wolfville. For more than a year she has been combating courageously the encroachment of disease being ministered to by all that loving care could do. During the last week it was evident that the end was approaching and she faced the future unflinchingly until the passing came peacefully.

Of a happy temperament and winsome manner the deceased was deservedly popular and her going will be deeply mourned. Besides her sister Mrs. Wheaton, she is survived by one brother who resides in the Peace River District and recently visited her, and another who is in Vancouver.

The funeral was held this afternoon at 2.30 o'clock, the service being conducted by Rev. Dr. Marshall, pastor of the Baptist church.

## WEDDED INSULIN'S DISCOVERER

Miss Marion Robertson, of Elora, Ontario, who was very quietly married to Dr. F. G. Banting, the world famous discoverer of insulin, at the home of her aunt, Mrs. J. G. Caven of Toronto, on June 4th. The couple are away on a ten-day motor tour prior to Dr. Banting's departure for South America on a business trip.

## WEEKLY NEWSPAPER MEN

### Hold Interesting Convention at Toronto—Large Attendance

The fifth annual convention of the Canadian Weekly Newspaper Association was held last Thursday, Friday and Saturday at Toronto. Nearly four hundred delegates were present from all parts of Canada, and in addition two attended from Newfoundland. Nova Scotia was represented by Harry Arenburg, of the "Progress-Enterprise", Lunenburg; H. S. Anslow, of the "Hants Journal", and Miss Forbes and Mrs. Fielding, of the "Windsor Tribune", Windsor; H. G. Harris, of the "Advertiser", Kentville; H. P. Davidson, of "The Acadian", Wolfville; F. W. Gilman, of the "Victoria News", Baddeck; and D. W. Jones, of the "Greetings", Port Hood.

The weather was ideal and all the delegates thoroughly enjoyed their visit to Toronto, and derived much profit from the discussions and addresses. The meetings were held at the Physics Building, University of Toronto, and the delegates were quartered in the University buildings.

The convention opened Thursday morning with the President, J. Edouard Fortin, Beauveille, Que., in the chair. Sir Robert Falconer, president of Toronto University, welcomed the convention and gave a splendid address on the growing importance of the press in public leadership. Interesting reports were given by the Manager and the different provincial divisions.

At the afternoon meeting a most instructive forum on advertising was conducted by W. R. Davies, of Renfrew, Ont., chairman of the advertising committee. Various matters in connection with advertising were discussed by the different members and many helpful suggestions given. This discussion was followed by an address on "Salesmanship" by C. S. Brett, B. A., P.L.D., of the department of Psychology, Toronto University.

On Friday morning the delegates conducted a forum on Editorial topics, which was led by Lorne A. Eedy, of Walkerton, Ont., and proved most interesting. Then an address was given by P. W. Wallace, M.A., of the department of English, Toronto University, whose subject was "Ideals in Journalism".

At the afternoon session a forum on Job Printing was conducted by Fred B. Elliott, of Alliston, Ont.; and a forum on Circulation and Subscriptions was conducted by J. J. Hunter, of Kincardine, Ont. Both proved very interesting and helpful. A feature of the convention was an address given Friday afternoon by W. H. Greaves, B.A., P.L.D., of the department of Public Speaking, Victoria College, Toronto, who spoke on the fundamentals of public speaking. He held the close attention of his audience for an hour and a half, with his humor, eloquence and expression, and all wished that they might be in a position to take a course of instruction under him.

After the meeting Friday afternoon the delegates were entertained by the City of Toronto at Sunnyside, the Coney Island of Canada. This amusement park is situated on the shore of Lake Ontario and is conducted by the city of Toronto. The delegates were given supper at the Palais Royale and an orchestra furnished music for those who wished to dance. After supper an address of welcome was given by Mayor Hiltz and fittingly responded to by President Fortin, after which the singing of "Aloette" and "God Save the King" brought to a close a most enjoyable time. The majority of the delegates spent the remainder of the evening taking in the various amusements of Sunnyside, all of which were free to the newspaper representatives.

The final session of the convention was held on Saturday morning. A forum on Business Office topics was led by S. N. Wynn, of Yorkton, Sask.; and an address on "Typography" was given by Harry L. Gage, of New York. The judges in the Newspaper Contest for the Brennan Trophy announced that this contest had again been won by the "News" of Vernon, B. C. The following officers were appointed for the coming year:

President—Lorne A. Eedy, Walkerton, Ont.  
1st Vice President—L. J. Ball, Vernon, B. C.  
2nd Vice President—F. A. J. Davis, Carlton Place, Ont.

The directors representing the Maritime Provinces are H. B. Anslow, of the "Graphic", Campbellton, N. B., and H. R. Arenburg, of the "Progress-Enterprise", Lunenburg.

The city of Winnipeg has invited the association to hold their next convention in that city and it is expected that the C. W. N. A. will meet there next June.

Saturday afternoon the delegates were the guests of the C. N. R. on a sail across Lake Ontario to Port Dalhousie, at the mouth of the Welland Canal. The weather was ideal and the trip much enjoyed. An orchestra furnished music for dancing and all had a good time. On arrival at Port Dalhousie the delegates amused themselves by dancing, watching a ball game, and riding on the merry-go-round and aeroplane swing, all of which were free to the visitors. This also is a very nice amusement park right on the shore of the lake. At six o'clock supper was served, followed by a number of speeches by representatives of the C. W. N. A. and the C. P. R. and at six o'clock the party again boarded the boat for the return trip to Toronto.

This was the end of the 1924 convention for most of the members, but for some the best is yet to come. Yesterday nearly 200 members and wives sailed from Montreal on the C. P. R. liner Melita for a six weeks tour of Belgium, France, England and Scotland, the tour to include a visit to the battlefields of Flanders and an inspection of the British Empire Exhibition at Wembley, where they will be the guests of the exhibition directors.

## RAMSEY-JOHNSON

WINDSOR, N. S., June 2.—An Acadia College romance terminated in an exceptionally pretty wedding today when Miss Minna Elizabeth, only daughter of Mrs. Eva Gould Johnson, became the bride of George Moor Ramsey, son of Mr. and Mrs. Edwin M. Ramsey, of Peterboro, New Hampshire, and professor of languages (French and Spanish) at Acadia.

The Windsor Baptist church was well filled with interested acquaintances and friends of the bride and around the pulpit, with a back ground of ferns and palms, pink apple blossoms, for which our valley is famed, showed off in all their beauty. These also were artistically arranged in a bridal arch.

The bride wore a lovely gown of white silk, canton crepe, with accordinated pleated trimmings and rose buds of the same. A crown of orange blossoms caught up the beautiful Renaissance lace bridal veil, and with her shower bouquet of Ophelia roses, lilies of the valley, with satin for streamers, Miss Johnson made a charming bride as she gracefully proceeded up the aisle with her bridesmaid, Elizabeth S. Johnson, a sophomore at Acadia, who gave her in marriage.

Rev. F. Stuart Kinley, pastor of the Windsor Baptist church, performed the ceremony and the beautiful hymns "The voice the breathed o'er Eden," "Perfect Love," were sung by the wedding choir.

All through the service the sweet strains of "Oh, Promise Me" were effectively rendered by the organist, Mrs. W. E. Dimock, who also gave beautiful renditions of Lohengrin's and Mendelssohn's wedding marches.

The wedding is of interest in many points of the Dominion as the bride was for a year the nurse at Acadia University and previous to this was for two years on the staff of the Bank of Nova Scotia at Canning.

Professor and Mrs. Ramsey will visit Mr. Ramsey's parents in Peterboro and from there will motor to Niagara Falls. Professor Ramsey received his A. M. degree from Harvard and returns there in October to take his A. M. degree in course.

Mrs. Ramsey wore a travelling tailored suit of Log Cabin cloth, pretty, and becoming, French hat and a Fox fur muff.

## SPARE THE TREES

To the Editor of THE ACADIAN.

Dear Sir,—As a newcomer to your town I should like to raise my voice in protest against the wholesale slaughter of the trees on Main street since the paving operations have begun. If the citizens of Wolfville are not aware of the fact I can vouch for the truth of the following statement—i. e.—that in other Canadian cities paving is done and the trees are not butchered and destroyed as is being done in Wolfville. American cities and towns are included in this. Experts are employed to prolong the life of the trees instead of tearing them out root and branch. At the corner of a street where the tree interferes with curbing is one matter, and destroying them along Main street quite another matter. To me it seems as if town affairs in this respect was in the hands of rank incompetents, for when the telephone company have finished their atrocious lynchery and the Mayor and Town Manager sanction the destruction of grand old trees, the natural beauty of Main street will be the blue sky over head on a June day and the stars by night.

Thanking you for your space and trusting this timely word may prevent the destruction of the other trees along this street.

P. Q. S.

## MRS. SANKEY HENNIGAR

The death of Lena, beloved wife of Sankey Hennigar, took place at her home at Hortonville, Kings Co., Monday morning, June 2nd, at the age of 41 years, after a long and painful illness, all that the best medical skill and loving care could do having failed to restore her to health. Mrs. Hennigar was the eldest daughter of the late William Norton, of Fort Williams, and only moved to Hortonville a little over a year ago, when they purchased the large farm formerly owned by Guy Fuller. She leaves to mourn their loss a loving husband and two young sons, Vernon and Byron, a mother, three sisters, Mrs. Geo. Postman, of the Port Williams Baptist church, being away in the U. S. The quartette of the Port Williams church rendered very appropriate music. The funeral was very largely attended by a great many from her former home and surrounding country, as well as the past masters, Messrs. Silas Kempton and George Gates and Mr. C. A. Campbell, all of Port Williams. The body was laid to rest in the Baptist Cemetery at Gaspereau. The flowers were very numerous and beautiful some of which were—cross, husband and children; spray, Mother; spray, Carl, June, 1st and 12th; Frank and May and sisters; star, Sangster and Effie, Eddie and Thelma and Amy; cycle, Charlie and Alda; cycle, George and Triffie; spray, Addie; spray, Reginald and Mettie; wreath, Mrs. McCabe, Edna, and Mrs. Cleveland; pines, Mrs. O. Chipman; spray, Loyal Workers Port Williams Sunday School; wreath, Port Williams Woman's Institute; wreath, Grand Pre Women's Institute; harp, Mrs. and Miss Pickford; basket lilies, Lily of the Valley Division, Port Williams; pines, W. M. A. S., Port Williams.

## CROSS CROSSINGS CAUTIOUSLY

The increasing number of automobiles moving through the Annapolis Valley has prompted the Management of the Dominion Atlantic Railway to make every effort possible to prevent accidents at public crossings. A similar movement was started in the United States recently by the American Railway Association, who have prepared attractive posters attracting the attention of motorists to the necessity of "Crossing Crossings Cautiously". While there is not the same amount of danger of this nature in Nova Scotia, motorists will admit that with the increasing number of cars travelling throughout the country there must be greater necessity for driving cautiously when approaching level railway crossings. We are, therefore, attracting the attention of motorists to this matter, emphasizing at the same time the fact that crossing trains cannot be stopped within a few feet, while an automobile can. It is, therefore, suggested that in approaching railroad crossings cars be always kept under perfect control.

If the public will do its part in this respect, and by good example assist in reducing the large annual, yet needless, loss of life and injury to occupants of automobiles at railroad-highway crossings, they will do a patriotic work.

The following suggestions have been made to us, and we pass them on to parties interested:

1st—Slowing down when approaching any railroad-highway crossing.

2nd—By looking both ways and listening to ascertain if a train is approaching.

3rd—By being particularly careful where there are two or more tracks, because of trains in opposite directions.

4th—By exercising good, conservative judgment at crossings.

5th—In case of doubt take the safe course and stop before reaching track thereby possibly saving your life and the lives of your loved ones.

If there is any danger from approaching trains—

Wait! You may lose.

The number of accidents in this Province due to reckless driving, speeding, etc., is increasing every year, and it might interest readers to know that in the United States during the past six years 11,379 persons were killed and 30,522 were injured, at railroad-highway crossings. Eighty per cent. of the accidents at such crossings involved occupants of automobiles.

The co-operation of parties interested will assist very materially in eliminating the large proportion of accidents of this nature.

## GRAND PRE WOMEN'S INSTITUTE

The June meeting of the Grand Pre Women's Institute was held at the home of Mrs. F. F. Mitchell, with the president in the chair.

It was decided that we hold our Bazaar in the Warehouse, August 14 and 15. Mrs. Patrinquin was appointed treasurer of the Community Hall Fund. Cards are still being sent out. The response has been very gratifying. Members who have not donated the four articles asked for in January are urged to do so as soon as possible so the committee will know what is on hand.

Prizes for the school were discussed. Mrs. Patterson offered a prize of \$1.00 for the best essay on Patriotism in grades 6, 7 and 8. The president and Miss Magee are the judges to award the prizewinner. Miss Stuart offered a prize of \$1.00 for the greatest improvement in Penmanship in the Primary Department. Mrs. Crane, a prize of \$1.00 for the highest aggregate in grade III. Miss Magee a prize of \$1.00 in the Primary Department, choice to be left to Mrs. Buckell.

A page in the minute book has been reserved in memory of Mrs. Sankey Hennigar. Flowers were sent by the Institute. Much sympathy is felt for the bereaved family.

The program consisting of interesting, instructive articles on the various phases of Home Economics was prepared by the Home Economics committee—Mrs. Borden, Miss Magee and Mrs. MacRae. The roll call response was helpful hints for Housekeepers. The opening poem, also on the same topic, was read by Mrs. Hutchinson. Miss MacRae sang very effectively, Home Sweet Home.

Refreshments were served by the hostesses.

The July meeting will be with Mrs. Alden Harris.

## ENJOYABLE CHURCH SOCIAL

A very enjoyable congregational social was held on Friday evening last in the school-room of St. Andrew's church. The affair was held under the auspices of the recently formed Ladies Society of the United Church, the guests being received by the president, Mrs. B. O. Davidson, with the minister, Rev. Douglas Hemmeon, D.D., and Mrs. Hemmeon. Beautiful flowers and potted plants, artistically arranged, occupied a prominent place in the hall, which was furnished appropriately for the occasion and presented a pretty appearance. The evening was delightfully spent, during which interesting games were provided and an exceedingly attractive program was rendered. This included a well rendered piano solo by Mrs. Hemmeon, vocal solos by Mrs. J. W. Smith, instrumental duets by Mrs. H. E. Blakney and Mrs. G. S. Stairs. Dainty refreshments were served and the meeting was brought to a close by the singing of the national anthem. Those present at this most enjoyable social function will look forward with pleasant anticipation to its repetition.

## A TAILOR MADE MAN

Screen Version of Popular Stage Play Ranks With the Very Best Pictures

Commencing Monday at the Orpheum theatre, the many local admirers of Charles Ray will have the opportunity of seeing him in what promises to be his masterpiece, if time, care, and a great story count for something: a cinema version of the intensely popular stage play, "A Tailor Made Man". For this is the costliest production Charles Ray has ever made, and is inaugurating his announced policy of two super-productions a year for United Artists. In fact, "A Tailor Made Man" is Ray's first screen play under his new alignment.

According to critics who previewed this photoplay, Charles Ray has been provided with a vehicle which allows him full scope for his ever delightful humor, wit, and tenderness. "A Tailor Made Man" is said to rank with the highest achievements of the motion picture art.

The supporting cast is of all-star calibre, and includes such artists as Ethel Grandin, Jacqueline Logan, Thomas Ricketts, Douglas Gerard, Victor Potel, Thomas Jefferson, Stanton Heck, Edyth Chapman, Kate Lester and Frank Butler.

"A Tailor Made Man" was adapted to the screen by Harry James Smith, Joseph De Grasse is the director.

## MISS JOST ADDRESSES MISSIONARY SOCIETIES

On Tuesday afternoon Miss Hattie Jost, a Methodist missionary on furlough from Japan, addressed the Methodist and Presbyterian Women's Missionary Societies and a few representatives from the other churches in the school-room of the United church.

In her opening remarks Miss Jost said that Canadians seem to think of Japan primarily as a land of beauty, color, and romance—as a sort of "playground". She thought such an idea must have been obtained from the moving-picture, rather than from the missionary, and preferred that we should think of it as a "battlefield". She spoke at some length of Japanese women, whose problems are so different from those of the average Canadian woman. The Japanese women, far more than the men, realize the need of a higher moral standard for their country, and all the missionary in training the children toward this end.

No brief report can do justice to Miss Jost's address. It was simple, but full of information, and very effective. At the close of the meeting tea was served, and an opportunity to meet the speaker given the ladies, many of whom were old friends of hers and of her parents. Miss Jost returns to Japan in November.

In a Valley Baseball League game yesterday at Middleton the home team defeated Windsor by the score of 7 to 0. This afternoon Wolfville and Windsor play at the latter town.

## NEW STEAMER FOR D. A. R. (?)

PARRSBORO, June 7.—It is reported on good authority that the D. A. R. have contracted with Meteghan shipbuilders to build a steamer for the Parrsboro-Kingsport-Wolfville route. She will be 125 feet long, 25 feet wide, nine feet deep, and have a speed of eleven knots. She will have very much more passenger and automobile space than the present boat.

## GASPEREAU

Mrs. Edwin Davidson and Mrs. Avery Duncanson left on Tuesday to attend the Women's Institute Convention held at Puro, June 11th and 12th. Frank and May and sisters; star, Sangster and Effie, Eddie and Thelma and Amy; cycle, Charlie and Alda; cycle, George and Triffie; spray, Addie; spray, Reginald and Mettie; wreath, Mrs. McCabe, Edna, and Mrs. Cleveland; pines, Mrs. O. Chipman; spray, Loyal Workers Port Williams Sunday School; wreath, Port Williams Woman's Institute; wreath, Grand Pre Women's Institute; harp, Mrs. and Miss Pickford; basket lilies, Lily of the Valley Division, Port Williams; pines, W. M. A. S., Port Williams.

## BLENUS-FOSTER

A very quiet wedding was solemnized at Dorchester, Mass., when Mr. Walter Blenus, of Canning, and Miss Jean R. Foster, of North Kingston, were united in the holy bonds of matrimony, by the Rev. Robert Milton Pierce, on the 21st day of May, 1924. Only a few select friends and relatives witnessed the ceremony. The bride looked very nice in a blue tailored suit of tricotine, with hat and veil to match. Both bride and groom were unattended. They were the recipient of some very nice and useful gifts. Both being Nova Scotians their friends here, as well as in the U. S., will wish them much future happiness. Immediately after the ceremony they motored to Franklin, Mass., where they will be "at home" to their friends in the near future.

## CARD OF THANKS

Sankey Hennigar and family, of Hortonville, desire to express their sincerest thanks to all their friends and neighbors for their many acts of kindness and expressions of sympathy during the long illness and at the death of Mrs. Hennigar. Such acts can never be forgotten.

## Town Topics

Had-bits on the Tip of Everybodys Tongue

Vol. 1, No. 44. Wolfville, June 12, 1924. Free.

### Candy and Insulin

Perhaps the greatest achievement of the medical science during recent years is Insulin. According to Science Service, "Diabetic patients who take Insulin treatment must carry candy with them to counteract a possible overdose."

Cream-O-Milk, the favorite Swiss style Milk Chocolate, can now be had in a five cent bar.

And don't forget Moir's new Chocolate coated Maraschino Cherries. They come swimming in delicious cherry juice.

## WESTERN THRILLS FEATURE PICTURE

If you stay away from the Orpheum during the run of "Mile-A-Minute Romeo" because you think you don't like "westerns", don't let that prejudice keep you from missing your chance to view a great film.

There are westerns and westerns, but you can count on a Tom Mix western to be a clean, live, thrilling, high class drama that you will like in spite of yourself.

This picture will be shown on Friday and Saturday.
