

ST. JOHN MAN HAS GAINED 28 POUNDS

H. F. Rollings Is Surprised By Rapid Improvement-Troubles End

"The best proof I can give that Tanlac is the right thing for me is the way it is building me up." Said H. F. Rollings, of 62 Flower Hill, St. John's, Newfoundland, recently. Mr. Rollings has been employed as carpenter by Reeds Newfoundland Railway Company for ten years.

"At the time I began taking Tanlac," he continued, "I only weighed one hundred and twenty pounds, but now I weigh one hundred and fifty pounds - have actually gained twenty-eight pounds - and am picking up, both in weight and strength."

"I had been in the worst kind of a fix for some time and could get nothing to do me much good, if any. My appetite went back on me and my stomach was in such a bad fix that I could not eat meats or any of the more substantial foods at all. I had severe headaches and was so run down and weak that I couldn't do justice to my work. I would get so weak, faint and dizzy that I was actually afraid to mount the scaffolds. I was very nervous and nearly all my strength just seemed to be gone. One day while crossing the railroad track I felt one of those dizzy spells coming on me. I managed to call for help, but I fainted dead away, and the next thing I knew I was home. I could never get a good night's sleep and that tired, worn out feeling was with me all the time."

"My improvement since I began using Tanlac has certainly surprised me. My appetite returned after the first few doses and by the time my first bottle was gone I could eat and digest anything. Then I commenced to pick up my lost weight and strength and get rid of that tired, worn out feeling. The headaches, dizziness and nervousness have all left me and I sleep so soundly that I have to be woken up in the mornings. My appetite is so big that I can hardly get enough to eat and I never have the least trouble with my stomach any more, and when it comes to work I can keep up my end with the best of them. I am convinced that Tanlac will help anyone who tries it and I am glad to make this statement for what it may be worth to others. Tanlac is sold in Hartland by Estey & Curtis Co., in Bristol by Dr. G. W. Somerville, in Centreville by Stevens Bros., in Woodstock by E. W. Mair, in Benton by W. E. Porter, in River de Chute by Daniel B. Baird, and in Florenceville by A. B. Lovely and in Bath by Bath Drug Co., H. M. Foster, Mount Pleasant, John McIntosh, Glassville, Chas. L. Bent, Plaster Rock.

Mrs. John Stewart and family of Centreville wish to thank their neighbors and friends for their kindness during the illness and death of their husband and father, and also the Centreville choir and those that contributed flowers.

ROYAL YEAST CAKES

There is more energy in a pound of good bread made in the home with Royal Yeast Cakes than in a pound of meat. Bread making is a simple operation and requires no previous experience. Full instructions in Royal Yeast Bake Book, mailed free on request.

SAVED FROM LIFELONG MISERY

And a Dangerous Operation, by Taking 'FRUIT-A-TIVES'

MRS. M. J. GORSE
3928 Union St., Vancouver, B.C.
"I suffered with all the symptoms of Female Trouble, with chronic Constipation and constant Headaches. I had pains low down in the back and sides of the body. I tried various remedies without relief, and then put myself under a doctor's care and he advised me to have an operation. I refused."

Then, I started taking 'Fruit-a-tives'; and from the outset, I felt better, and this medicine has completely relieved me of all my misery and suffering. My weight was only 148 pounds and now it is 168 pounds. I am free of pain and headaches and the terrible Constipation; and what saved me from misery is the splendid fruit medicine, 'Fruit-a-tives'."

MRS. M. J. GORSE.
50c. a box, 6 for \$2.50, trial size 25c.

Oil Cheaper Than Coal.
The high price of coal and the prospects of it becoming dearer still has resulted in a big demand for oil fuel. It is now cheaper to use oil fuel in ships and factories than it is to use coal. Perhaps before long we shall be using it in our homes, too.

The great coal strikes of 1911 and 1912 made hundreds of big farms turn towards oil, and it is a remarkable fact that once oil fuel has been used coal is abandoned forever. Oil is not only cheaper than coal, but it is cleaner and less trouble. It is ever so much easier to transport and to supply to engines. A few feet of tubing and a main line express engine, for example, can take in 600 gallons of oil fuel in from four to five minutes. Oil, too, has the advantage that there are so many big deposits of it in various parts of the world that it is not affected by strikes so much as coal.

When proper oil-burning machines are used, there is no smoke attach- ed to it at all, and factories using oil have no tall chimneys, no piles of ashes, no tedious shovelling of coal into the furnace. Just a few pipes, that's all. A few taps regulate the oil supply to the boiler furnace, and, in fact, with oil the grimy coal stokers can be replaced by girls in spot- less white caps and aprons.

Two Explorers.
Martin Killin and Adelbert Gumaer, the last two members of Vilhjalmar Stefansson's Canadian Arctic Expedition to leave the Arctic, are reported aboard the trading schooner Anna Aiga, which is working its way toward Nome.

Killin and Gumaer were not members of Stefansson's original party. They were members of a party Storker Storkerson, Stefansson's lieutenant, led on to an ice-free last year in the hope that the Arctic drifts would carry the ice westward to Siberia. After spending eight months on the ice the men found themselves about fifty miles from their starting point. They all came ashore and Storkerson and one other member headed overland for the outside world. Killin and Gumaer boarded the Olga and started for Nome.

Storkerson's trip out was his first in eleven years. He has been an explorer, trader and trapper along the northern rim of the continent ever since 1908. He expects to associate himself with Stefansson in handling the Canadian Govern- ment's proposal to stock the north- ern tundra plains with reindeer.

Henpecked Father—But did she tell you that in women it is an organ without any stops?

Rideout-Hitchcock

A pretty wedding took place at the Baptist church at Grand Falls on Wednesday morning at ten o'clock, when Miss Mary Olivia Hitchcock, daughter of Walker Hitchcock, of Ortonville, was united in marriage to Frank Henry Rideout, youngest son of Mr. and Mrs. Samuel Rideout, of Grand Falls Portage. The ceremony was performed by Rev. W. J. Hurlow, pastor of the Baptist church at Tracy's Mills, Carleton County, and formerly pastor of the Baptist church here, the double ring service being used. While the bridal party entered the church, Miss Helen Hallett played the bridal chorus from Lohengrin. The bride, who was given in marriage by her father, looked very charming in a bridal gown of white satin and georgette, with pearl trimmings. She wore a veil and wreath of lilies of the valley,

and carried a beautiful bouquet of white roses and carnations. The bridesmaid was Miss Gladys Northrup, of Cole's Island, who silver lace and carried a bouquet of pink carnations. Little Miss Marion McLaughlin, niece of the groom, was flower girl. She wore white silk with blue trimmings and carried a basket of carnations. Leon P. Ludgate, of Woodstock, a nephew of the groom, acted as groom's man. The ushers were Allan E. Merritt and Ervina Hitchcock, cousins of the bride.

After the ceremony, the bridal party and invited guests drove to the home of Mr. and Mrs. Samuel Rideout, where a reception was held. The decorations in the house were pink and white carnations and evergreen.

Mr. and Mrs. Rideout left on the C. P. R. express for Wicklow, where they will make their home. The bride's going away dress was of brown tricot with hat to match and black furs. Many beautiful presents of silver and cut glass were received, and a substantial cheque from the groom's father. The groom's present to the bride was a cabinet phonograph; to the bridesmaid a pearl and amethyst pendant; to the ushers, tie pins and to the organist, Miss Hallett, a pearl and amethyst brooch. Both the young people have many friends in the vicinity who wish them every happiness. The bride attended the high school here, and was afterwards a successful teacher. The groom served overseas with the signallers, returning home last summer. The out of town people here for the wedding were Mrs. Edmund Ludgate and Leon Ludgate, of Woodstock, and Rev. W. J. Hurlow, of Tracy's Mills.

Our Corner of the Earth

is charming in a thousand ways, but it has the dampest winds of all Canada and the winds are cold and "raw". Coughs and colds are prevalent.

HAWKER'S TOLU AND CHERRY BALSAM

will protect you and your family from coughs and colds. Keep a bottle always in the house. Colds demand prompt treatment.

Read what Thos. McAvity, of St. John, N. B., has to say about Hawker's Tolu and Cherry Balsam:

"I take great pleasure in stating that I have used Hawker's Tolu and Wild Cherry Balsam in my family for years and find it an excellent remedy for coughs and colds."

Sold by all druggists and general stores. The same price everywhere—25c. & 50c. None genuine without Company's name. THE CANADIAN DRUG CO., Limited, ST. JOHN, N. B.

NO PROFITEERING WITH ZAM-BUK

Before the war, Zam-Buk was 50c. a box. All during the war, when the cost of production was rapidly advancing, the price of Zam-Buk to the consumer remained the same. Now, with the war over, while some prices continue to soar, Zam-Buk is still 50c. a box! Not only so, but the same high standard of quality has been maintained throughout.

There has been no profiteering in regard to Zam-Buk. For every box you have bought, you have been asked to pay fair value only.

Is this method of doing business not worthy of recognition? Answer this question by continuing to recommend, to appreciate, and to use Zam-Buk—the greatest household healer of modern times.

Use it for all skin troubles, eczema, ringworm, abscesses, ulcers, boils, pimples, piles, blood-poisoning, chapped hands, cold sores, cuts, bruises, burns, scalds, etc.
