# Dyspepsia

One of Ayer's Pills, taken after dinner, or a dose at night before retiring, never fails to give relief in the worst cases, and wonderfully assists the process of nutrition. As a family medicine, Ayer's Pills are unequaled.

James Quinn, 90 Middle st., Hartford, Conn., testifies: "I have used Ayer's Pills for the past thirty years and consider them an invaluable family medicine. I know of no better remedy for liver troubles, and have always found them a prompt cure for dyspepsia."

Lucius Alexander, of Marblehead, Mass., was long a severe sufferer from Dyspepsia, complicated with enlargement; of the Liver, most of the time being unable to retain any food in his stomach. Three boxes of Ayer's Pills cured him. Frederic C. Greener, of East Dedham, Mass, for several months troubled with Indigestion, was cured before he used half a box of these Pills.
