CAPT. DANIEL ABBOTT, Brooklyn, Maine, July 16, 1843, says: "I was taken sick one year ago, lest April, upon my passage from Havanna to Charleston, S. C. At the latter place I took medicine and procured a physician, but for ten days could obtain no relief, no sleep or appetite. At last taking up a newspaper having your advertisement of 'Hoofland's German Bitters' in it, I sent for some immediately, this was about 10 o'clock, at 11 o'clock I took the first dose, and another at 6 o'clock. The effect was so rapid on me, that I had a good appetite for supper, and rested well that night, and the next day found me a well man. I have not been without your medicine since, having been sailing between Baltimore, Charleston and the West India Islands ever since. I have now given up going to sea, and reside in this

Messrs. Jos. B. Hall & Co.—Gentlemen—In answer to your inquiries, I will state that my daughter, aged about 16 years, had been complaining of a pain in her side, for six or seven years, and about the first January last, was taken down and confined to her bed. The pain in her side was very severe, besides being troubled with pains between her shoulders and in her breast. From reading a number of cures performed by "Hoofland's German Ritters" I was induced to try it in her case, and sent to your store and purchased one bottle. Site had taken it but a few days when she hegan to improve, and now, after taking only one bottle, she is enjoying better health than she has for years. She feels no pain in her side or in any part of her body, and attributes her cure entirely to the German Bitters.

Great English Remedy! The most valuable Spring and Summer Medicine in the World:

Dr. Halsey's FOREST WINE! Patronized by the Nobility and Medical Pacul of England, and esteemed the most extra-dinary Medicine in the World.

Medicine containing molarses or liquorice, like the boasted Sarsaparillas, require many large bottles to produce the slightest change in health. The Forest Wine is altogether a different article. It contains no syrup to give it consistency, but acquires its excellent flavor, and powerful medicinal, properties from the regetable plants of which it is composed. The Forest Wine combines the virtues of the

WILD CHERRY, DANDELION, YELLOW DOCK. AND SARSAPARILLA. with other valuable plants whose properties are a

with other valuable plants whose properties are all most effective.

Its high concentration renders it one of the most efficient medicines now in use. Sometimes less than a single bottle restores the lingering patient from weakness, debility, and sickness, to strong and vigorous health. Every dose shows its good effects on the constitution, and improves the state of the health. The Forest Wine is recommended, in the strongest terms, for all complaints of the Stomach, Liver, Kidneys, Nervous Disorders, Bilious Affections, Drapsy, Dyspepsia, Loss of Appetite, Jaundice, Female Complaints, Serofula, and all Disorders arising from Bad Blood and impure habit of the system. BLOOD and impure habit of the system.

SAVED FROM DEATH.

Testimony of Mr. Nathan Mathews, a highly respectable and wealthy citizen of Newark, N. J. Dr. G. W. Italsey:—I believe your Forest Wine and Pills have been the means of saving my life. When I commenced taking them I laid at the point of death with drops, piles and asthma. My Physician had given me up as past cure, and my family had lost all hopes of my recovery. While in this dreadful situation, your Forest Wine and Pills were procured for me, and before I had finished the first bottle of the Wine and box of Pills, I experienced great reliel; my body and limbs, which were greatly swellen, became sensibly reduced. Hopes of my recovery began now to revive, and after continuing the use of your medicines for about a month, the Piles and Asthma were completely cured. The Dropsy, through which my life was placed in such great danger, was also nearly gone. I have continued the use of your medicines until the present time, and I now enjoy as perfect health as ever I did in my life, although I am more than sixty years of age.

Yours, respectfully,
N. MATHEWS.

GREAT CURE OF LIVER COMPLAINT OF TEN VEARS' STANDING.

New York, January 9th, 1848.

Dr. Halsey—Dear Sir.—Having taken your Forest
Wine and Pills to remove a disease of the Liver from
which I have suffered soverely for upwards of ten
years; and having adhered closely to the directions
which accompany the medicines. I have recovered
my health, nothwithstanding all who knew me
thought my case incurable. Previous to taking the
Wine and Pills, I had recourse to the best medical
treatment, but continued to grow worse to an lalarming degree. Some of my triends spoke desparagingly
of my case, and tried to persuade me from making
use of any advertised remedies; and I doubt not, that
there are hundreds who are dissuaded from taking
your excellent medicines in consequence of the deception and inefficiency of many advertised remedies
put forth by apprincipled, men in flaming advertisements. But, what a pity it is, that the deception
used by others should be the means of dissuading
many labouring under disease from making trial and
being cared by your excellent remedies. Humanely
speaking, they have saved my life; when I commenced misking use of them, I was in a wretched
condition, but began to experience their good effects
in, less; than three days; and in six weeks from the
time I purchased the medicines, to the great surprise
of all my friends, I was entirely cared, and had increased fifteen pounds in weight, having taken one
how of the Pills, and two bottless of the wine. Would
to Gpd that every poor sufferer would avail immedie
of the same remedies, Yours, &c.,

NERVOUS DISORDERS

Are diseases of the mind as well as of the body, usually brought on by troubles and affliction, and are most common to persons of delicate constitutions and sensitive minds. Low spirits, melancholy, frightful dreams, and fearful anticipations of svil from the slightest causes, generally accompany nervous disorder. The Forest Wine and Pills are an energetic remedy in these complaints.

Extract of a letter from Mr. Joseph C. Paulding dated

PHILADELPHIA. September 7th. 1848. Mr. G. W. Hasley — Dear Sir.—Your Forest Wine and Pills have cared my wife of a dreadful nervous disorder with which she has been affected, for many years. Her body was almost wasted away. She was frequently disturbed in her sleep by frightful dreams, awaboning quite exhausted and covered with was frequently disturbed in her steep by regular dreams, awahesing quite exhausted and covered with perspiration, and at times laboring ander the delision that something dreadful was about to happen to her. By the use of four bottles of the Wine, and a lox of the Pills, she is now in perfect health. She has re-gained her flesh and color, and enjoys society as well

it is an excellent and good medicine, and will undoubtedly become the leading medicine, of the day. The Forest Wine is put up in large square bottles with Dr. Halsey's name blown in the glass, \$1 perbottle, or six bottles for \$5. Gam-coated Pills, \$2. cents per box. Dr. Antrobus's Persian Hair Restorative, AND HAIR DYR

mediate Patronage of the Princes of Persia and India.

These articles are without doubt the most extraordinary in their powers ever submitted to the Public, and require but to be tried, to be appreciated, admired, and continued.

mired, and continued.

The RESTORATIVE strengthens the hair and prevents it falling off after every other means have been resorted to unsuccessfully; it cures baldness and creates a natural curl, and by its use, myriads of persons of both sexes are indebted to having a good head of hair at the present moment. Its efficacy if therefore undoubted, and the whole world is challenged to produce an article to equal it, either for beautifying the hunan hair or preserving it to the latest period of life. For the production of Whiskers or Moustache, it is infallible.

The qualities of the HAIR DYE are decidedl superior to any thing of the kind ever attempted any the whole surface of the head can be changed into a most natural black or brown, within five minute after using it, so as to defy detection from the great est connoiseur. Copy of a Letter from Dr. Magrath, M. R. C. S., dated Duke Street, Adelphi, London, the 17th January, 1854.

To Dn. Anthonus,

Sir,—I feel great pleasure in attesting the virtues of your Persian Hair Restorative. Several parties who have been patients of mine having derived the most inconceivable benefit from using it; and in fact it is owing to this article alone, that many of them are not at the present moment completely bald; one party I may mention in particular, who had been laid up with typhus fever: (a most beautiful young lady.) the attack however left her although as beautiful as ever in the face, still with scarcely any hair on her head. She tried every thing unsuccessfully, until I recommended her to use your Persian Hair Restonative, and in three months, she again possessed the same dark caving locks, as before her illness, although if possible, still more jet like, and attractive. I must admit, although I have recommended it to hundreds of persons of both sexes, I have never found it fails and consider, that where the hair is not past human aid, your wonderful preparation will restore it to its pristing state.

Your Hair Dye is the best I have ever seen or heard of, and has been used among my private sequaintances, with the most upbounded satisfaction.

I am, Sir, yours most truly,

To Dr. ANTROBUS,

Sir,—Your Hair Restorative is one of the greatest blessings ever invented Sir,—Your Hair Restorative is one of the greatest blessings over invented. Several of my customers are quite our propaged with it, and consider it beyond all praise. I cannot deny, but that it has appeared to me quite wonderful, the alteration it causes after using it for a few weeks, it excels any thing of the kind I ever used, causing a complete metamorphosis; giving the hair a mitural ourl, and even entirely hiding grey locks, setting nature at defiance.

You may depend upon it, that it surpasses any thing of the kind ever brought before the public, and as to your Hair Dye, I can sell all you can send ine, it is so unquestionably good.
