

Amatite ROOFING

Needs No Painting.

A MATITE roofing is weaned. It doesn't need to be watched over and fussed with and cared for.

It takes care of itself from the start. As soon as it is laid on your roof, you can go away and forget about it.

You don't have to paint Amatite every two years as you do the "rubber" kinds. Amatite has a mineral surface which needs no painting.

The mineral surface is better and more durable than many coats of paint.

Back of the mineral surface is a layer of pitch, the greatest waterproofing compound known. Back of the pitch is a layer of felt (a whole ready roofing in itself), and behind this is another layer of pitch

and another layer of felt. The result is a strong, durable roof which can take care of itself in any climate without painting.

We will be glad to send you free a sample of Amatite Roofing so that you can see for yourself just what it looks like. Address our nearest office.

KEEP ON COURTING AFTER MARRIAGE

"Continue courting after marriage" Rev. A. W. Main said in Point St. Charles Congregational Church last evening in a sermon on Jund Bride-grooms.

"Have you never noticed the change in a woman's face after she is engaged. It is because she has received that for which she hungered, but after marriage, have you never noticed that she loses that happy expression? Have you never seen the joy go out of her face. It is because she received affection from her lover which she does not receive from her husband.

"A bride-groom must be a Christian man, and he must show reverence for everything that is written in the word of God. The husbands who love their wives must honor God, his law, his day and his church. Then a man will al-o honor his wife.

—I congratulate bride-grooms: I congratulate every marriageable young man. The love of woman is the greatest benediction and blessing out side of the grace of our Lord Jesus Christ that can be bestowed. Don't be afraid to marry And lovers, continue your courting. The cause of so many unhappy homes is that the men neglect to do this, they neglect their wives."

The summer service of the I. C. R. is now in operation and the arrival and departure of the Limited is once more an absorbing passion among some of our young people. Some people couldn't even come to the ball game until they had viewed with envious eyes the weary travellers on our palatial railway.

MAINE GIRL SHOT BY CHINAMEN

Miss Shaw, Teacher in Orono, Wounded by Student She Spurned. —Likely to Recover.

Orono, Me., June 9—While returning from a dance in Orono town hall last night Miss Christian Shaw, aged 25 years, a teacher in the Orono high school was shot in the head by a revolver and a mob, attracted by the shooting ran down T. S. Linn, a Chinese government student at the University of Maine, who was taken to Bangor charged with the shooting.

It is said that Linn has been infatuated with Miss Shaw for over a year and had been despondent over the failure of his suit. He is 30 years old and in his junior year at the university.

At the Eastern Main General Hospital, where Miss Shaw was removed, the surgeons say that her chance of recovery is good. Four shots were fired, only one of which took effect. That struck behind the left ear and lodged just over the right eye.

Miss Shaw, accompanied by her brother and younger sister, after an evening of dancing, were returning home and were crossing a bridge, not far from their residence, when it is alleged, Linn ran up from behind and opened fire. The first three shots went wild, but the fourth took effect, sending Miss Shaw unconscious to the floor of the bridge.

Dr. Sanger, a Bangor physician, who was passing, ran at once to her aid, while a crowd that had been at the dance ran after the fleeing young Chinaman. Within a few minutes he was overtaken and brought to the Orono fire station.

There he collapsed and, it is believed, pretended to have taken poison, but physicians could discover no traces of any drug. A revolver was found upon him with four chambers empty. Shortly after midnight he was removed to Bangor by Sheriff White and locked up.

At the hospital in this city to which she was taken it was stated today that she would probably recover, Linn is alleged to have told the sheriff that he shot Miss Shaw because she had caused him "mental torture."

WHEDDEN—KINGSTON (Crowded out of last issue.)

In St. Mary's church at 8 o'clock Thursday morning, Miss Annie Katherine Kingston was united in marriage to Mr. Murdoch Whedden. The marriage was very quiet only the immediate friends of the couple being in attendance. Rev. P. W. Dixon, pastor of St. Mary's church officiated. Miss Mary Bayle was bridesmaid and Mr. Wm. Hollohn was best man. The charming bride was dressed in a cream serge suit trimmed with black satin and wore a black picture hat. Immediately after the ceremony the bridal party repaired to the home of the bride's parents, Mr. and Mrs. John Kingston, Chaplin Island Road where a wedding breakfast was served. Mr. and Mrs. Whedden took the accommodation on Thursday afternoon for Campbellton en route to Montreal and other cities on a honeymoon trip.

With the coronation approaching and other Court festivities, ladies will do well to avoid obtruding hideousities like the harem skirt upon the Royal presence,—says M. A. P. Any lady who is so foolish as to appear in such a costume as this is about as good as being in the lowest lowly company of the world.
