HURRY NOTES.

Bulletin News Service. The Grand Trunk Pacific town site is to be surveyed into town lots this

week. It will likely be on the market in the near future. Indications are leaves for Vancouver this week. They are Messrs. Henwood, J. C. Macin the near future. Indications are that this place will be quite a good sized town. The surrounding country is number one farming land. The homestead land is nearly all occupied by resident homesteaders. There is very little scrip land and the people are generally intelligent and thrifty. Outside business location will do well to note these facts. Dr. R. W. Halliday from Daysland has located here. His office. The same building as the postoffice. The
