Evening Gowns at Reduced Prices!

While many of the larger social functions are—on account of the war—conspicuous by their absence this season, there are, never-the-less many smaller affairs which take place where a really smart gown is not only admissable, but really necessary.

¶ We are offering a limited number only of Evening and At-home Gowns and Blouses, in combinations of Silk and Net, Satin and Lace, Charmeuse, Ninon, Voile, etc.—in very beautiful designs and in different sizes. These Gowns and Blouses are copies of French and American models, and, owing to the depression in trade, are to be sold at heavy reductions.

¶ This week presents an excellent chance for you to purchase a dainty Evening Gown for the coming Easter festivities at actual cost.

The Eastern Trust Company.

A few reasons why an estate can be better administered by the Eastern Trust Company than by a personal executor or administrator—

1. The Company affords the estate absolute security; it has a paid-up capital of \$931,000.00, and a reserve fund of \$229,300.00.
2. It has a long experience in the work of administering estates; it is incorporated for this business of acting as a trustee, and, unlike many other trust companies, it does no other.
3. Its existence is perpetual. Your estate, in the event of the death of a personal executor or administrator, must look around for a substitute, and the work of administration is impeded during that time, and the new executor is unfamiliar with the policy of his predecessor, and confusion results. This company's existence is perpetual, and there is a continuity of policy in its administration that the death of its officers does not break.
4. It possesses the confidence of governments, universities and prominent charities and administers their funds.
5. A number of other advantages which will appear in due course.

Within the next few weeks you are going to buy a new Spring Suit—that's certain. Perhaps to-day, perhaps to-morrow, perhaps in a month—but you're going to buy it.

We think you ought to know why it's wise to "Do it now." The best reason is that our stocks are complete—you're bound to get more style satisfaction out of a broad choice than a narrow one—you get the broad choice now—you may not get it later.

This is why we invite your inspection of the stylish patterns now on hand.
