ears ago put up a "Keep Out" sign, a to sojourn for a while in its curious classic aloofness of the pious lamas.

This Means You" warning. 3 all capital, But even on such pare occas, at Lhass. Amir Amanullah Khan, ions as when a foreign engineer or a through his agents in India and elsested"—to use a poacher's phrase osted against trade and concession doctor whose services are badly needters, against missionaries, and ed is admitted by the grace of the The Windbrella.

he wields a far-reaching influence fossil wood, the oldest memorials of human life in the Nile valley. They lied, because his land happens to lie as it does on the map of the rorld, it is plain that for a long time Fashion

Like the Arab, the Afghan considers unnecessary and even unwise that en should learn to read or write. No girls are admitted to the bazaar ols, and no mullahs are employed to teach them. and Afghanistan knows nothing of women teachers.

The trade of Afghanistan is moved

entirely by caravans and is largely in the hands of Hindus and Tadjiks There is not a mile of railroad in the kingdom, the Amir fearing that stee

Apart from rugs a few zylograph ven tissues, no products of native filed labor are on the market. And

of Western and Eastern art. Small industries supply only the most urgent
needs of the lower classes. The rich
people but their luxuries from abroad,
and the poor make shabby shift with
the cheaper fabrics.

The Amir keeps at Peshiwar a
political agent, who occasionally pays
a visit to the Viceroy of India; and,
since Afghanistan's formal independence of 1816, envoys have been sent
to Persia and one is perhaps now in

The Jumping-Joy Stick.

The latest toy which Parisian chil-ren are buying, and which threat-

dren are buying, and which threatens to displace the scooter in popular favor, is a modern form of the
old "jumping-stick."

The new "jumping-stick," which is
called a "pogo," is more scientific
than its predecessor, which was nothing more elaborate than a single
still with two rests for the feet. It is made with an indiarubber pad

and with a strong spring, which en-ables its possessor to take a series of caps without jar. raps without jar.

The pogo was first found in use, in rimitive form, among the Dyak, wes of Central Borneo, who gave

use, it was very difficult to obtain them, but a French traveler who saw the dance in progress described them on his return to Paris. From his rough sketch the new Paris toy has

Laid to Rest.

The funeral of the late Hilary Carook place yesterday afternoon. To O.O.F., of which he was a membettended in a body, whilst a guard conour from the Masonic brethren also tended. Interment was at the C.

a third, left- in Cairo, shows him as Pattern 3730 was used for this chieftain of his clan. Nothing so good model. It is cut in 4 Sizes: 2, 4, 5 and of their kind has been found since 5 years. A 4 year size will require the famous Village Sheikh in the Cairo museum. chieftain of his clan. Nothing so good Gingham, galatea, serge, twill, cor-duroy and velvet may be used for this The centuries roll on, and we reach the IXth dynasty. All museum pilgrims are familiar with the model boats and workmen brought from VIth dynasty tombs at Beni Hasan and else-

A pattern of this illustration mailed to any address on receipt of 15c. in silver or stamps. A PLEASING MODE! FOR HOUSE where. The practice of making them continued to later times, and the richer Sedment tombs have yielded models

of astonishing variety. Here are boats with saflors hauling at the yards to sail up Nile, others with men at the oar pulling downstream. The master's boat is cabined, and the hide-covered shields lie upon the roof ready for instant use. A look-out man in the bow holds a leather fented in readiness for a threatened collision. Here, too, are domestic scenes—a model kitchen, servants kneading dough or setting a table, and others carrying the master's sedan chair, one of them with Beneath the head of one of these burials lay a tollet-box with its paint-slab, its kohlpot—such as Jezebel used 2,000 years later—and a supply of sandstone for rubbing the feet. From

painted to imitate a basket the neck-lace which adorned a mummy, the walking-sticks that lay beside it, and exquisite miniature tools, far choicer than the toys which content the mod-ern child. And here, too, is a sort of backgammon board with sixty holes, inlaid horn, with a recess to hold

the at The great XVIIIth dynasty has gainyards, mailed to, in have been the age of the Hebrew oppression and the exodus from Egypt.

Of the same time are some baskets used for protecting caskets, a group of Syrian work, showing the closs connection with Canaan, besides a graceful model of a swimming girl. Still

in the great XVIIIth dynasty has gainyards, and of a new interest for Bible readers girls some of the actual bows used by the archers in Rameses' army when he invaded Canaan in the time of the Judges, and of his dynasty the earliest of Syrian work, showing the closs connection with Canaan, besides a graceful model of a swimming girl. Still
