KING GEORGE THE FIFTH SEAMEN'S INSTITUTE.

SWIMMING POOL RE-OPEN MARCH 1st, 1922.

The instinctive desire for cleanliness, says Lotze, marks the beginning of culture; at any rate it indicates a fortunate tendency in that direction. Filth is unendurable in the eyes of those civilized peoples alone who prize, in the case of their bodies, the same degree of purity which they impart to their enterprises and their personal environment.

To-day the Seamen's Institute affords abundant opportunity to enjoy the advantage of the bath not only as a means of cleansing the body but also as a tonic and the promoter of a healthy skin—"the finest undergarment ever invented."

The Pool has been redecorated, recleaned, and new Shower Baths installed. Inspection invited.

Open daily except Sundays from 9 a.m. till 10.30 p.m. Tuesdays, Ladies only . . . 9 a.m. till 10.30 p.m.

Admission—which includes Swim, Hot Shower, Soap and Towel, 20c.

Special Rates for School Children. Teachers may be furnished with same on application to
