Coolidge and Dawes Elected With Huge Pluralities

The MacDonald Cabinet Has Resigned—Mutiny Reported in the Brazilian Navy—Ambassadors Representing France and Russia Have Been Appointed.

As a result of yesterday's election in the United States, Coolidge and Dawes, the Republican nominees for President and Vice-President, have been elected with huge pluralities. At 5 o'clock this morning a private wire gave Coolidge 300 votes in the Electoral College. New York State elected the Republican Congressional slate by 700,000 majority; but re-elected Governor Al. Smith, who is a Democrat.

SOUTH WENT FOR DAVIS.
NEW YORK, Nov. 4. Coolidge and Dawes have rolled up an overwhelming majority in the East and Middle West on the basis of incomplete returns from the general election. In all of New England, New York, New Jersey, Pennsylvania, Ohio, West Virginia, Maryland, Indiana, and Illinois, the lead of the Republican nominees was mounting steadily upwards at midnight and both the New York Times and the New York World, supporters of John W. Davis, had conceded defeat by Mr. Coolidge. At the Democratic headquarters, however, party leaders still cling to a hope that the West would turn the trick, as it did for Wilson in 1912. Reports from most of the sections beyond the Mississippi still were of the most fragmentary character, but they gave President Coolidge the best of it in several of the larger states. A spectacular race for the New York Governorship was developing between Governor Smith and Theodore Roosevelt, with the Smith managers claiming victory, and some of the Republican leaders inclined to concede it. All the Southern States, including Tennessee, Oklahoma, Kentucky, and Missouri, were piling up majorities for Davis. The South apparently had returned by the usual vote its Democratic candidates for the Senate except in Oklahoma, where J. C. Walton was running behind two Republican Senators.

REPUBLICAN VICTORY CONCEDED.
NEW YORK, Nov. 4. The New York World in an election extra issued at 9:15 to-night, conceded the election of President Coolidge and claimed the election of Governor Smith in New York. The World is a Democratic paper.

COOLIDGE WINS.
HARDING PRECINCT.
MARION, Ohio, Nov. 4. President Coolidge carried the home precinct of the late President Warren G. Harding by a massive vote this morning. The precinct gave Coolidge 154, Davis 44, and LaFollette 13. Four years ago it gave Harding 145, and Cox 119.

RECORD BREAKING VOTE.
NEW YORK, Nov. 5. When the polls closed in New York State at six o'clock to-night, party leaders predicted that a record breaking vote of over three million had been cast. The weather was cool and clear throughout the State.

U. S. STAFF.
WASHINGTON, Nov. 4. The largest electorate that ever cast a vote undertook to-day the task of unravelling the most puzzling tangle in the modern political history of United States. With three major candidates in the field for President, with full membership of the House to be chosen, with 34 Senators and 34 Governors to be elected, and with thousands of lesser offices to be filled, twenty odd million qualified voters of the nation began their march to the polls at dawn throughout the length and breadth of the land under

generally fair weather conditions. They continued all day to record their will. Four months of fervid oratory, charges, recriminations, accusations, claims, predictions and warnings, were stored in the thoughts of the voters as they marked their decisions on their ballots, while ringing in their ears were the final pleas of the three major aspirants for the presidency.

REPUBLICAN ELECTED.
IN DETROIT.
DETROIT, Mich., Nov. 4. Representative Frank W. James, Republican, was re-elected from the Twelfth District to the House of Representatives. In the last House Michigan was represented by 12 Republicans and 1 Democrat.

FIRST TO REPORT.
NEW ASHFORD, Mass., Nov. 4. The vote of this town, the first to

report its returns in the Presidential election, gives Coolidge 20, Davis 4, LaFollette nothing. The 1920 vote was Harding 28, Cox 6.

GEORGIA REMAINS IN DEMOCRATIC COLUMN.
ATLANTA, Ga., Nov. 4. Clifford Walker was re-elected Governor of Georgia by an overwhelming majority over his independent opponent, H. B. Taylor, to-day. The remainder of the Democratic state ticket was unopposed. Harris, Democrat, was elected to the Senate, and 12 Democrats to the House were elected.

ALABAMA VOTES DEMOCRAT.
NEW YORK, Nov. 4. Alabama elected Senator Heflin, Democrat; and ten Democrats to the House of Representatives.

ARKANSAS ALSO DEMOCRATIC.
NEW YORK, Nov. 5. Returns from the State of Arkansas received at 6:30 showed J. T. Robinson, Democrat, was re-elected for the United States Senate, and that all seven Democratic candidates for the House of Representatives were also returned.

ALL DEMOCRATS ELECTED.
IN SOUTH CAROLINA.
CHARLOTTE, S.C., Nov. 4. Senator E. D. Smith, Democrat, and all seven Democratic candidates for the House of Representatives were elected in this State to-day.

WILL HOLD TOGETHER.
CHICAGO, Nov. 4. Irrespective of the results of to-day's election the independent party, headed by Senator LaFollette, will be kept intact and will enter the next political fight in 1926 and the Presidential race in 1928. John Nelson, LaFollette's campaign manager, announced to-night. The headquarters of the organization will be moved to Washington and an effort will be made to strengthen the movement, while all LaFollette-Wheeler leaders throughout the country will be instructed to preserve their records intact and continue working in lining up the organization, he said.

A TRUE PROPHECY.
NEW YORK, Nov. 5. George K. Morris, Republican State Chairman, at 1:20 a.m. conceded the re-election of Governor Smith, by a plurality of between 50,000 and 65,000.

SMITH IS HAPPY.
NEW YORK, Nov. 4. When informed by party leaders shortly after 11 o'clock to-night that he would carry New York City by a plurality of about 545,000 and the entire State by 180,000 Governor Smith issued the following statement: "The returns at this time indicate my election by a substantial plurality that

gives me much joy, happiness and satisfaction." The New York Tribune which has been supporting the candidacy of Theodore Roosevelt, conceded the election of Governor Smith by 100,000 votes.

POLLING DAY CRIMES.
CHICAGO, Nov. 4. One man was killed, two others shot, several kidnapped, and scores intimidated with threats of death to-day in election violence in various parts of the city. John McKay was shot to death, while sitting in an automobile in front of a West Side polling place. His assailant fired from another car. Claude Mackay, who was with him, was seriously injured. Both were said to have had police records. Shortly after the polls opened a party of men opened fire upon a polling place near the Stock Yards, wounding one man, who is not expected to live. Nathan Finestone, a LaFollette worker in the 46th Ward, was slugged, suffering a fractured skull. His assailant escaped.

SHOT AFTER HE VOTED.
CHICAGO, Nov. 4. Anton Rudzinski was shot and probably fatally injured to-day after he had gone to a polling place to vote. The police began search for several men without any information as to the cause of the shooting.

FRANCE AND RUSSIA APPOINT AMBASSADORS.
PARIS, Nov. 4. Premier Herriot and Christian Rakovsky, the Soviet Charge in Great Britain, to-day settled the final formalities for a resumption of relations between France and Russia. Russia will accept Jean Herbat, former foreign editor of the "Temps," and well known as a military strategist as Ambassador to Moscow, and L. Krasin, the Bolshevik Commissioner of Foreign Trade and Commerce, will become Soviet Ambassador to France.

THIRTEEN KILLED IN RAILWAY SMASH.
LONDON, Nov. 4. Thirteen people were killed in a smash on an express train between Liverpool and Blackpool last night, and several others were injured, 3 of them seriously. The train left the rails at Moss Side, two miles from Laytham, and crashed into a signal cabin near the track. One of the passengers who was killed was Charles Gramme, commander of the liner Bardic. Another was Ernest Tonge, advertising agent, of Blackpool. The remainder of the killed include the engineer of the train, six women weavers, two of them sister goods clerks and seamstresses. Three residents of Blackpool were badly injured and may not recover. When the train struck the signal cabin it sent the cabin flying into a field. The signal man on duty at the time narrowly escaped death. He received only minor injuries. It is unknown what caused the train to leave the rails.

BUENOS AIRES, Nov. 4. The Brazilian Embassy here to-day confirmed the reports that the crew of the battleship Sao Paulo had mutinied, seized the vessel and sailed outside to Rio Janeiro Harbor. The Embassy statement indicated that the battleship subsequently anchored outside and was being fired at this morning by the Harbor Forts.

THREE YEARS FOR CONSPIRACY.
TORONTO, Nov. 4. Three years in the Penitentiary was the sentence imposed by Mr. Mowat this morning on Peter Smith, former Provincial Treasurer, of Ontario, who pleaded guilty of conspiracy in connection with certain transactions with the defunct Home Bank. LETTER NOT VERIFIED.
LONDON, Nov. 5. An official communique issued to-night says that the committee appointed by the MacDonald Cabinet to investigate the authenticity of the Zinovieff letter, the alleged propagandist document from the Moscow Internationale, has been unable to come to any positive conclusion. The communique states that the original letter has not been produced or seen by any Government Department, and the action (the publication of the letter) was taken on what was not claimed as more than a copy.
