### INTER COLLEGIATE FOOTBALL.

St. Bon's Defeat Collegians.

With ideal weather conditions for players and spectators, the third game of the Inter Collegiate fixtures was played yesterday afternoon and ended in a win for St. Bon's over the Collegians by a score of 2 goals to 1.

#### First Half.

Winning the toss the Collegians decided to defend the western goal. From the moment the ball was centered, Farrell, the St. Bon's goalie, was called on to save. Both teams then got down to hard work and it could be seen that it was to be a hard and fast struggle for the honors. There was no wind to give either side an advantage, and the ball was taken from end to end by good play of the forwards and strong kicking of the backs.

For the first ten minutes both goals were continually in danger but the defence lines were always able to clear. The game progressed in a see-saw nature and in one of the Collegians' attacks, Johnson rose to the occasion by making a pretty play, and at the opportune moment he slipped the ball to Butt who scored from a very difficult position. Encouraged by their success the Collegians endeavored to increase their lead, but their opponents were not to be beaten a second time. Farrell saved the situation on many occasions. The St. Bon's, now determined to get on an equal footing made several good attempts to score, but Rabbits, the M.C. full back, was always in position to clear. After twenty-five minutes of play had elapsed, the St. Bon's squad staged a determined attack on the M.C. goal, and in the play Bailey was rough-handed inside the penalty area, with the result that a penalty kick was awarded. This was taken by P. Murphy, who scored the equalizer on a low, swift shot, which was too difficult for Drover to handle. With excitement now at fever heat, the balance to play a hard and fast game, in which every player put forward his best efforts, but when the whistle called half time, the score stood, Collegians 1 goal; St. Bon's, 1.

#### Second Half.

When the teams changed over the St. Bon's made a determined effort to gain the lead, but Drover was found ready to handle the shots that came his way with every care. They continued to follow up the attack, but the Collegians' defence lines were impossible to beat. Honors then became more evenly divided, and saw both teams continue to press the opposing goals. In one of the M.C. rushes up field, Puddister got in a good position to score, but put the ball over the bar. The game continued at a fast pace, and several dangerous shots were sent to Farrell, only to be cleared in masterly style. It was anybody's game up to this juncture, and the spectators were treated to a clever exhibition. Play then became more general, and shortly after the Collegians made another dash for the goal, but they were speedily put to route when Monahan cleared the pigskin to his forwards and saw another dash down field. The ball was carried into the Collegian goal mouth, and Drover, in attempting to clear it from the ground with his hands, lost it to Bailey, who was responsible for St. Bon's second and winning goal. The Collegians, quite undaunted, pressed their opponents hard for the equalizer, and a succession of shots followed on St. Bon's goal, but failed to pass the goalie. From then on to the end of the game, the struggle was hard fought and interesting. No further scoring was recorded, however, and full time sounded leaving St. Bon's the victors by 2 goals to 1. Referee E. Pielan.

During the latter stage of the game, G. Bailey, St. Bon's inside right, fell heavily to the ground and was knocked out temporarily. After reviving he was able to continue the balance of play.

The standing of the teams at the end of the first round, is as follows:—

| Team       | P. | W. | L. | D. | F. | A. | Pts. |
|------------|----|----|----|----|----|----|------|
| St. Bon's  | 2  | 2  | 0  | 0  | 5  | 3  | 4    |
| Collegians | 2  | 0  | 1  | 1  | 4  | 4  | 1    |

#### SILLY GERMAN CLAIMS.

British Protest at Wimbledon Exaggeration of Motor Cycle Trial Results.

"Scored an important victory against the keenest international competition. "Won the speed trials at Brooklands."

These extravagant claims in advertisements of the German D. Rad motor cycle has led to a protest being sent by the Auto-Cycle Union.

The facts are that in the international six days' trial recently held in England, Britain's overwhelming victory was "embarrassing," according to the judges' reports.

In the team prize the British winners scored 399 points out of 900, while the Germans only attained 642 points out of 900.

#### NEW CYCLING RECORD.

F. W. Southall Beats Five Hours In 100 Miles' Ride.

Riding over the official S. R. R. A. course, during the week-end, F. W. Southall (Newwood Paragon C.C.), beat the 100 miles' bicycle record for southern roads, covering the distance in 4h. 55m. 7s.

This is the first occasion on which the much-coveted "five hours" has been beaten in the South, under official timekeeping.

Southall covered the first 25 miles in 1hr. 3m, but slowed considerably in the later stages of the ride owing to an adverse wind.
