GREAT POWERS

ARE ALWAYS NEUTRAL IN SMALL SQUABBLES.

SO IT IS WITH PREST & HEPBURN

In the Leather War now going on between their opponents on the South side of Wyndham Street.

WE do not believe in both bunkum, but deal with facts, and leave the verdict in the hands of the intelligent people of Wellington. We are prepared to prove, and we positively affirm, notwithstanding all the puffing and blowing which has become the order of the day, that PREST & HEPBURN, Wyndham Street, Guelph, manufacture more

BOOTS AND SHOES

And employ double the number of Workmen of any other establishment in the County of Wellington. We invite the public to call and look through our Factory, and they will be convinced that we are telling the truth, and nothing but the truth.

A great deal has been said for and against Machine-made Boots and Shoes,

Now we believe, and we are confident that every well-balanced mind in Wellington will agree with us, that the less machinery used in the manufacture of Boots and Shoes the better.

All our Staple Boots and Shoes are made by Hand

Which must be admitted is far superior to any machine made Goods. We have now on hand the largest and best assortment of Boots and Shoes ever offered to the people of Wellington, which we will sell as cheap as the cheapest.

Remember that all our Work is Warranted

And no second price. REPAIRS done as usual.
