reports of wheat damage from hot winds and premature ripening. At first, however, the rains formed a bearish influence too great to be withstood, the market lurching heavily downward. Then came opinions that the injury by the extreme heat of the last days of May had not been overcome by the rains.

Buying orders from millers gave fresh courage to the bulls. In addition, the world's available supply total showed a decrease of 2,750,000 bushels, in spite of a liberal gain in European stocks and in the amount afloat. Total clearances of wheat and flour today received. stocks and in the amount afloat. O GO TO PARKDALE ADDITION you first take a street car at the centre of the city, quickly cross the Bow River bridge and after a cheerful and delightful run of less than 15 minutes along the city's most pleasant driveway-The Bow Boulevard-you will find yourself at Parkdale, already a division of charming homes. Just far enough out to be pleasant and a permanent residential section overlooking the sparkling

river with beautiful treed banks.

We are developing Parkdale for harmony and permanency. It is above everything else a section of the city for homes of character at moderate cost. We can sell you a building site or a house complete ready, to step into and we have made our prices and terms easy and favorable. Every buy a good investment. Let us show you over Parkdale.

City water mains now being laid into Parkdale Addition.
