and so I think, when lights burn low,
And all the house is fast asleep,
Fröm out a silence vsst and deep
Those dear dead days we worshipped so
Breathe on us from their hidden store
Their long lost peace, their faith o

God keep those dear old times; ah me:
Beyond our vision they may rest
Till on some perfect day and blest
Once more those dear dead days will be.
For death, who took all, may restore
The past we loved to us once more.

Acids were considered efficient in such cases but of late some doubt has arisen owing to the fistal results in many cases so treated and Dr. Douglas has been inclined to urge the adoption of the alkali treatment. One day last week a girl 14 years of age, under treatment by another physician, became so ill that Dr. Douglas was called in consultation. They considered the child past hope, and in the emergency it was decided to experiment with the alkali treatment. This consisted in doses of bicarbonate of soda and iodoform.
