**THE SPRING POET.**  
Sure enough, spring is here. The first spring poet has arrived. The editor, had neglected to get his axe sharpened in time so this slipped him. Here it is:

**"THE COUNCIL"**  
Who bought a lot of Road Machines. To let them rot and rust, it seems And make the people pay the Reams?  
The Council!!

Who bought new horses by the score. To eat up hay and oats galore. With increased taxes, as of yore  
The Council!!

Who bought a lot of high priced coal Which put our finance in the hole And taxed the people for the gold?  
The Council!!

Who pays three Policemen on the beat To walk along our muddy streets And tax the people for the treat?  
The Council!!

Who are a lot of old dry bones Who should be buried with their crosses And have new men upon the thrones?  
The Council!!

## MR. HURLEY AT DALHOUSIE

Delivered Lecture at Shiretown and Was Warmly Received—Other Notes.

Dalhousie, March 19.—A magnificent lecture on "The Price Belgium Paid" was delivered to a splendid audience, notwithstanding the inclemency of the weather, in the Convent Hall on Tuesday evening, by the well known speaker, Mr. Steve C. Hurley of Campbellton.

Hon. C. H. LaBelle presided.

The lecturer graphically described the happy and prosperous Belgium before the war, her busy hives of industry, her great villages, her beautiful churches and intensely religious life, her past glories in commerce, painting and architecture, her great nineteenth century scholars and her royal diplomats.

Then the brutal attack of Germany and the heroic way in which Belgium's citizen army had held off the invaders, thereby saving France, Britain and Canada from conquest.

Then the audience wept, as he held up to their gaze the ruined shrines, the desolated homes, murdered children of the unhappy but gloriously firm and determined little country, led by their King, who has risen to the summit of his opportunity as a leader of men.

Never were more stinging charges made against Germany than by Mr. Hurley, when in the most scathing terms, he described and denounced the war crimes of the German officers and soldiers in the helpless country.

The worst feature of ancient warfare had been revived by the modern barbarians. Old men had been shot to fall on the ground they had been forced to dig for themselves, all to terrify the inhabitants and force the survivors to submit.

Rev. A. A. S. spoke briefly and moved a vote of thanks to the lecturer, which was seconded by Mr. Frank McEvoy.

Mrs. John Hendrickson has left for Waverley, Me., and will also visit Bangor, Lakeview and Milo before returning home.

The Carnival held on the evening of March 17th in the Dalhousie Rink, met with the usual success. Many nice costumes were worn. There was a large attendance of spectators.

The awards went to Miss Agnes Barberie as "Lady of Long Ago," Miss Joan McKenzie, Upper Charles, as "Farmette." The Misses Nan Dealy and Jean Jamieson won the original prize as "Dalhousie Athletic Club." Mr. Delor Jones, Eel River Crossing as "Red Cloud Indian," Reid Stewart, as "Irish Gent." A special prize was given to Oliver Saintonge as "Teamster."

The Rink management wish to thank the public for their appreciated patronage.

During the evening and especially after the rink was closed a large crowd attended the Salmon Supper, held in St. Mary's Hall by the Women's Auxiliary of the Church of England. A good sum was realized for church work.
