(From our own Correspondent) OTTAWA, March 15th.

During the week just past there has really been but little worth commenting on, within the sacred precints of Parliament. The usual number of days have been allotted to private members, and the government business has been mainly that of discussing the budget. In this the government has been most liberal, if not lavish with time. There getting lively between Mayor Thorne and George A. ADDRESS.

The indications all point to 1889 being a good year or general business.

Throughout the world the reports are, that the volume of commercial transactions is being materially increased, and that the value of nearly all staple commodities is advancing.

New Brunswick's great staple—LUMBER—is about twenty-five per cent. higher in Liverpool and other

In the store formerly occupied by the late Francis Dougherty, as a boot and shoe store, Queen Street, Fredericton, N. B.

Noting the tendency of values, we note that the property of the store of values. Noting the tendency of values, we made large contracts last fall for stock in all our lines, for season of 1889, and as heretofore will give our customers the advantage of the same, selling everything at a small margin of profit and upon favorable terms.

> We strongly advise persons who have in mind to procure anything in our line, to take advantage of the good goods we offer at recent prevailing low prices. When Flour, Lumber and Iron advance in cost, everything else has the same tendency,

> We suggest to our friends to look carefully over their stock of Farm Machinery and examine the condition of their wagons, and if likely to need anything. to give us a call.
