Have Done at the Colleges and Uniyersitles - Receiving Prizes Amid Cheers and Hand-Clapping. Convocation hall at the Jarvis street Collegiate Institute was crowded yesterday afternoon by friends and scholars on the occasion of the annual presentation of prizes.

The girls were decorous and demure, but the

boys, judging from their jovial boisterousness, are serving an admirable apprentice-ship for the university. Every person who received a prize was vigorously applauded by these would-be freshmen, their enthusi-asm at times causing the "sweet charmers" Wholesale Prices. On the platform quite a number of ladies

On the platform quite a number of ladies and gentlemen were present, Judge Falconbridge, Principal Kirkland, Dr. McLellan, J. Castwoll Hopkins, Ex-Ald. Roaf, Dr. Thomas, Rev. G. M. Milligan, Rev. Arthur Baldwin, Dr. McPaul, Mrs. Dr. O'Connor, Miss Willes and Rev. William Patterson. The feachers of the institute present were: Principal McMureby, W.G. Crawford, B.A., C.E. Shaw, B.A., F. James Lobb, the chairman, then telepad for ward and in the course of a few rem rks gave expression to the pleasure beful at being present. For nine years he hoped be would have many more such opportunities of seeing the scholars of Toronto Collegiate Institute receive the hard-earned, well-deserved rewards of industry, perseverance and energy.

Principal McMurchy, before calling upon the prominent gentlemen present to give the awards, explained that there was a form prize, a prize for those who had taken honors at the University and several prizes presented by friends of the University. All these, he thought, had been fairly and honorably won by the successful candidates.

The prizes, which were handsome volumes of standard and classical works, were then presented to those whose names will be seen below.

OWEN SOUND, May 8, 1891.

The Owen Electric Belt Co., Toronto:

GENTLEMEN,—Some weeks ago, on the advice of our doctor, after everything else failed, I precured one of your No. 4 Electric Belts for a very severe attack of lumbago and week back. At the time I got the Belt I was so bad that I could not stand up without assistance, when sitting down and to get around was almost out of the question, so intense the pain. Now, after wearing the belt for a short time, the pains: are all gone and I feel as smart and well as ever. I know that it was the Owen Belt that cured me and I have much pleasure in recommending it to the suffering.

W. J. Liwis, Conductor, C.P.Ry.

Toronto, July 2nd, 1891.

For over twenty years I had been a martyr to rheumatism, suffering at times the most excruciating pains, from which I could get but little relief, for doctors' medicines, pain killers, electric oils, etc., seemed to have no effect on me, and it was only when I got an Owen Belt that I realized what it was to be without pain for any length of time. I feel I am thoroughly and permanently cured and have been so for several months, for the Belt's action on me was most marvelous, removing the pain in a few days. I have been a resident of Toronto for thirty years and am well known.

CHALLENGE THE WORLD

WE CHALLENGE THE WORLD To show an Electric Belt where the current is under the control of the patient as completely as this. We can use the same belt on an infant that we would on a giant by simply reducing the number of cells. Other belts have been in the market for five or ten years longer, but to-day there are more owen Belts manufactured and sold than all other makes combined, our Chicago factory alone being the largest of its kind in the world.

BEWARE OF IMITATIONS AND CHEAP BELTS Our Trade Mark is the portrait of Dr. A. Owen, embossed in gold upon every Belt and Appliance anufactured by the Owen Electric Belt and Appliance Co. None genuine without it.
