

J. O. WISNER, SON & CO.,  
BRANTFORD, ONT.,  
—MANUFACTURERS OF—

# The "Wisner" Tubular Iron Frame Drill and Seeder.

## UNRIVALLED.

No Drill ever introduced into Canada has gained such a reputation as the WISNER. Our sales have steadily increased every year, and we never before had so many actual orders in, or brighter prospects for a large trade at this season of the year. If you want a Drill or Seeder, single or combined, be sure and examine the WISNER. We guarantee satisfaction.

## ITS RECORD.

We exhibited the WISNER at most of the Fall Fairs, and besides selling nearly every show Drill, and taking orders for many more, we took the first prize in almost every case where prizes were given. An examination of this Drill will convince you of its great superiority.

## SUPERIOR FEATURES.

- NEW TUBULAR IRON FRAME.
- STEEL DRAW BARS.
- PATENT SPRING HOE.
- PATENT SPRING SEEDER TOOTH.
- INDEX GRAIN DISTRIBUTOR.
- INDEX GRASS SEED SOWER.
- TUBE SHIFTER.
- SHUT OFF SLIDES.

We also manufacture the following: THE WISNER HAY TEDDER; SPRING TOOTH CULTIVATOR; SPRING TOOTH HARROW; and CENTENNIAL SULKY HAY RAKE, all of which are first-class machines, and warranted in every case. Inspect samples in local agent's possession, or write us for our new illustrated catalogue. Address
