The lessons for the Quarter may be divided into two sections.

The **ENTRANCE** into Egypt of God's people. to the Promised Land.

Print JOSEPH—PHARAOH—MOSES.

For six lessons we are going to hear about Joseph, his brothers, the children of Israel, and their entrance into Egypt. For six lessons more we shall talk about Moses and the children of Israel coming out of Egypt. We shall see how God defended His people and punished the wicked.

tacks. In some such way teach—"If God be for us who can be against us?" "He is my defence: I shall not be greatly moved."

Waves—Speak of some of the waves that dashed against God's people, envy, pride, cruelty, hatred, etc. As each lesson is recalled, mark off on the rock a space in which may be written a word and a simple drawing that will suggest the lesson.

The waves beat against it, but they are dashed back again. They are powerless. The rock can withstand all at-

Practical Thoughts—God is "my strong Rock for a house of defence," "A shelter in the time of storm." Isaiah tells us that Jesus will be for us—

"As the shadow of a great rock in a weary land," Isaiah 32: 2.
