WINTER HOME FOR INVALIDS.

Invalids of either sex desiring a quiet, yet cheerful and comfortable home for the winter, where they may feel free from care and worry, and have the advantage of special ELECTRIC, HYDROPATHIC or HYGIENIC treatment, as accessory, if desired, to the general medication prescribed by their own physicians, will find such in

THE HYGIENIC HOME,

A beautifully situated Sanitarium, on the corner of Jarvis and Gerrard streets, Toronto. The Home is now under the management of DR. WATT, with whom are still associated professionally the Lady Physicians (Drs. Trout and Tefft) who have given to the Home its well earned celebrity. Dr. W. resides in the Home, and has all patients under his general supervision, but Ladies have, as hitherto, the advantage of consultation with and treatment by qualified Physicians of their own sex—feature possessed by no other Institution in the Dominion.

Medicated Inhalations are given in the treatment of Throat and Chest affections.

WOMEN'S HOSPITAL.

As an adjunct to the work of the Home, Dr. Watt has opened a Private Hospital for the Surgical or other treatment of the graver forms of Female Complaints. Terms, with residence and Nursing, very moderate.

Applicants for admission must supply references. Address

MISS MAGGIE JOHNSTON, M.D.,

Assistant.
