Household Hints.

TO THE DEAF.—A person cured of Deafness and noises in the head of twenty years' standing by a simple remedy, will send a description of it FREE to any Person who applies to NICHOLSON, 30 St. John Street, Montreal.

POTATO CAKES.—Two pounds of mashed potatoes, four ounces of butter and a little salt, two pounds of flour, and milk enough to make a batter; one-half cup of yeast; set to rise, and when light bake in cakes the size of muffins.

A LARGE Volume would not contain the mass of testimony which has accumulated in favour of DR. WISTAR'S BALSAM OF WILD CHERRY as a safe, efficient and reliable remedy in curing coughs and pulmonary disease. Many of the cases are truly wonderful.

BREAKFAST EGGS WITH BUTTER NOIR.—Fry eight eggs lightly, then in another pan put two ounces of butter, a pinch of salt and pepper. Heat it over the fire until it looks black, add two tablespoonfuls of vinegar; let it boil up again and pour over the eggs, which have been kept hot in a dish on the range.

PEACH CAKE.—Bake three sheets of sponge cake as for jelly cake, cut nice ripe peaches in thin slices; prepare cream by whipping, sweetening and adding flavour of vanilla, if desired; put layers of peaches between the sheets of cake; pour cream over each layer and over the top. To be eaten soon after prepared.

BRICK OF POTTED BEEF.—Three and a half pounds of lean beef, chopped fine, four crackers, rolled, three eggs well beaten, tablespoonful salt, teaspoonful pepper. Use thyme or other herb. Mix well and mould into a brick. Cover with bits of salt pork and bread crumbs. Put a coffee cup of water in the pan and baste often. Bake one hour.

How to Gain Flesh and Strength.

Use after each meal Scott's Emulsion; it is as palatable as milk. Delicate people improve rapidly upon its use. For Consumption, Throat Affection and Bronchitis it is unequalled. Dr. Thos. Prim, Ala., says: "I used Scott's Emulsion on a child eight months old; he gained four pounds in a month." Put up in 50c. and \$1 size.

WHITE CAKE.—Half a cup butter, two cups sugar, one cup milk, one cup corn starch, two cups of flour, whites of seven eggs; lemon or vanilla flavouring according to taste; three tablespoonfuls baking powder. Bake in layers and fill with boiled icing and raisins. Cover the top of the cake with grated cocoanut, thickly sprinkled with raisins.

ORANGE FLOAT.—One quart of water, the juice and pulp of two lemons, one coffee cup sugar. Let it come to a boil and put in four tablespoons corn starch. Stir it continually until it has boiled about fifteen minutes. When cold pour it over four or five oranges that have been sliced thin, and over the top spread the beaten whites of three eggs sweetened and flavour with vanilla.

LETTUCE SALAD.—Break the leaves of a large head of lettuce, or two small ones, wash each separately and lay for an hour in cold water. Drain through a wire basket, and put on them the following dressing: A salt spoon of salt, half a saltspoon of pepper, mixed with a tablespoonful of oil or melted butter, add two more tablespoonfuls of oil and one of vinegar.

ALMOND CHEESE CAKES.—Blanch and pound four ounces of sweet almonds, and two or three bitter ones, in a tablespoonful of water. Add to them four ounces of sugar, one tablespoonful of cream, the whites of two eggs well beaten. Mix all together as well as possible, and bake these cheese cakes in patty pans lined with puff paste. Twenty minutes are enough to bake them, in a modern oven.

MOULDED GRAHAM.—Make a mush by stirring graham flour slowly into boiling water it must not be too thick; cook ten minutes, using the mush stick as little as possible. Then stir in a few spoonfuls of milk or cream, and also a cup of fresh dates, cook two minutes longer, taking care not to scorch in the bottom. Pour into a mould or cups wet with cold water, and set it away till cold.

FIG PUDDING.—Chop half a pound of figs and simmer them gently in cider to cover until soft, add half a cup of sugar and stir to thick paste. Heap this irregularly in a pudding dish over it a custard made as follows: Trim the crust from some dry rolls to make half a pint, soak in a pint of milk for an hour, add two well-beaten eggs, half a cup of sugar and two tablespoonfuls of melted butter. Grate a little nutmeg over the top and bake half an hour.

49/52 Coughs, Sore Throat, Influenza, Whooping Cough, Croup, Bronchitis, Asthma, and every affection of the Throat, Lungs and Chest are speedily and permanently cured by the use of WISTAR'S BALSAM OF WILD CHERRY, which does not dry up a cough and leave the cause behind, but loosens it, cleanses the lungs, and allays irritation, thus removing the cause of the complaint. CONSUMPTION CAN BE CURED by a timely resort to this standard remedy, as is proved by hundreds of testimonials. The genuine is signed "I. Butts" on the wrapper. SETH W. FOWLE & SONS, PROP'RS, Boston, Mass. Sold by dealers generally.

The treatment of many thousands of cases of those chronic weaknesses and distressing ailments peculiar to females, at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., has afforded a vast experience in nicely adapting and thoroughly testing remedies for the cure of woman's peculiar maladies.

Dr. Pierce's Favorite Prescription is the outgrowth, or result, of this great and valuable experience. Thousands of testimonials, received from patients and from physicians who have tested it in the more aggravated and obstinate cases which had baffled their skill, prove it to be the most wonderful remedy ever devised for the relief and cure of suffering women. It is not recommended as a "cure-all," but as a most perfect Specific for woman's peculiar ailments.

As a powerful, invigorating tonic, it imparts strength to the whole system, and to the womb and its appendages in particular. For overworked, "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled as an appetizing cordial and restorative tonic.

As a soothing and strengthening nerve, "Favorite Prescription" is unequalled and is invaluable in allaying and subduing nervous excitability, irritability, exhaustion, prostration, hysteria, spasms and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the womb. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Favorite Prescription is a legitimate medicine, carefully compounded by an experienced and skillful physician, and adapted to woman's delicate organization. It is purely vegetable in its composition and perfectly harmless in its effects in any condition of the system. For morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, dyspepsia and kindred symptoms, its use, in small doses, will prove very beneficial.

"Favorite Prescription" is a positive cure for the most complicated and obstinate cases of leucorrhoea, excessive flowing, painful menstruation, unnatural suppressions, prolapsus, or falling of the womb, weak back, "female weakness," anteversion, retroversion, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, accompanied with "internal heat."

As a regulator and promoter of functional action, at that critical period of change from girlhood to womanhood, "Favorite Prescription" is a perfectly safe remedial agent, and can produce only good results. It is equally efficacious and valuable in its effects when taken for those disorders and derangements incident to that later and most critical period, known as "The Change of Life."

"Favorite Prescription," when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Purgative Pellets (Little Liver Pills), cures Liver, Kidney and Bladder Diseases. Their combined use also removes blood taints, and abolishes cancerous and serofulous humors from the system.

"Favorite Prescription" is the only medicine for women, sold by druggists, under a positive guarantee, from the manufacturers, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottle-wrapper, and faithfully carried out for many years.

Large bottles (100 doses) \$1.00, or six bottles for \$5.00. For large, illustrated Treatise on Diseases of Women (160 pages, paper-covered), send ten cents in stamps. Address,

World's Dispensary Medical Association, 663 Main St., BUFFALO, N. Y.
