THE GREAT OBJECTION REMOVED.

The long standing objection to the old plans of life insurance has been the liability to serious loss from oversight, neglect or inability to pay premiums. This objection has been entirely removed in

THE Temperance & General Life

Assurance Company, by the adoption of an ordinary Life Policy, of which a prominent agent of one of the largest and best of the American Companies said "It is the safest and fairest Policy I have ever seen." See this Policy before insuring in any Company.
