## I CURE FITS!

When I say I cure I do not mean merely to stop them  
for a time and then have them return again. I mean a  
radical cure. I have made the discovery of FITS, EPILEPSY  
AND FALLING SICKNESS a life-long study. I warrant  
my remedy to cure the worst case. Because others have  
failed to cure the worst case, I have not received a cure. And at  
once for a lifetime and a free bottle of my infallible  
remedy. Give EXAMINE and TEST-OR-FREE.

First Saintfield, has died in his eightieth year.

bald Geikie as President of the Geological Society.

THE Foreign Mission Fund of the U.P. Church  
last year shows an increase of \$33,105 over that of  
1890.

MR. TAYLOR INNIS is about to publish a  
volume of his essays under the title of "The Scot-  
tish Past and Present."

ST. ANDREWS University is about to confer the  
degree of D.D. on Rev. Murdoch Macdonald,  
Professor of Theology in Ormond College, Mel-  
bourne.

THE Edinburgh Established Presbytery have  
agreed to the overture on Student preaching, and  
disapproved of that on the admission of ministers of  
other Churches.

THE Rev. Robert Forgan, B.D., of St. Georges,  
Montrose, has accepted the call to be colleague  
and successor to Dr. Elder, of the Free West  
Church, Rothesay.

MESSRS. MOODY AND SANKEY visited Coat-  
bridge, Airdrie, Strathaven, Stonehouse, Lesmahag-  
ow, and Larkhall, and drew immense audiences  
at almost every service.

THE total sum contributed to the schemes of the  
Established Church of Scotland during 1891 was  
\$422,480, being an increase of \$50,890 over the  
previous year's income.

THE congregation of Elmwood Church, Belfast,  
has given a call to Rev. John Stewart, of First  
Carrickfergus, to fill the vacancy caused by the  
death of Dr. A. C. Murphy.

A CALL has been given to Rev. J. Northey, suc-  
cessor to Dr. Whigham at Ballinasloe, to become  
assistant and successor to Rev. J. B. Wylic, at  
Great George Street, Belfast.

THE Rev. Dr. Hugh MacMillan of Greenock is  
to be the Cunningham lecturer for 1892, his sub-  
ject being "Recent Researches and Discoveries in  
connection with Biblical Archaeology."

At next meeting of Greenock Free Church  
Presbytery, Professor Skinner of London and Rev.  
George A. Smith of Aberdeen are to be nominat-  
ed for the Hebrew Chair in Glasgow.

At a meeting of the Theological Society of the  
Assembly's College, Belfast, a debate on the  
question, "Would the use of a liturgy improve our  
public worship?" the affirmative was carried by  
fifty to ten.

THE death has taken place of the Rev. J. Hew-  
lett, M.A., Principal of the London Missionary  
Society's College at Benares, and long known as  
an ardent worker in the cause of the higher edu-  
cation of India.

THE Rev. George Wallace, M.A., Hamilton, is  
about to receive the degree of D.D., from St.  
Andrews University. He is the first member of  
Hamilton Presbytery to receive such an honour dur-  
ing the last half century.

It seems that "Uncle Tom's Cabin" is more  
popular than ever. An edition of 160,000 has just  
been issued. It is a prominent illustration of the  
value of work to which the writer has been driven  
by an irresistible impulse from within.

MESSRS. MOODY AND SANKEY have promised  
to spend two or three days in Newcastle-on-Tyne.  
The Young Men's Christian Association will  
arrange the meetings which, if the weather is  
favourable, will be held in the open air.

THERE are said to be no fewer than ten pulpits  
vacant in the Free Church in the North of Scot-  
land; for which the utmost difficulty is being ex-  
perienced in securing pastors whose constitutional  
views would be acceptable to the majority of the  
people.

THE Victoria Homes, Belfast, support seventy-  
three destitute little girls. Mr. Forster Green, in  
addition to his gift of \$5,000 a year ago, now offers

eight miles to and fro for the purpose.

THE tercentenary celebration of Trinity College,  
Dublin, to be held in July, is likely to gather to-  
gether a great assemblage of both British and  
Foreign savans. Among those of the former who  
intend to take part are Sir F. Bramwell, Sir James  
Lister, Sir John Lubbock, Lord Rayleigh, Sir  
William Turner, and Sir James Paget.

M. JULES SIMON, ex premier of France, regards  
the spirit of scepticism as the great difficulty in  
general politics in that country. He thinks the  
action of the Roman Catholic Church as on the  
whole good, and Leo XIII. a wise Pope. He  
remembers Renan forty-four years ago in his sur-  
plice laughing at everything just as he does to-day.

At the meeting of London Presbytery South, a  
memorial minute on the death of Dr. Fisher was  
adopted, and tributes to his memory were paid by

Cambridge, died on Saturday. She was born in  
Liverpool, but her childhood was passed in the  
United States of America until she was sixteen  
years of age. From that time until the hour of her  
death her life has been indissolubly associated  
with the education of women, and when, in 1875,  
Newnham Hall was built, Miss Clough was appoint-  
ed president.

## AS A PREVENTIVE

For Consumption and Catarrh, which originate in the poison of Scrofula,  
take Ayer's Sarsaparilla. The existence of this taint, in the blood, may be  
detected in children by glandular swellings, sore eyes, sore ears, and other  
indications, and unless expelled from the system, life-long suffering  
will be the result. The best medicine for all blood diseases is Ayer's  
Sarsaparilla, which is considered by physicians to be the only remedy  
for Scrofula deserving the name of a specific. Dr. J. W. Bosworth, of  
Philippi, W. Va., says: "Several years ago I prescribed Ayer's Sarsapa-  
rilla for a little girl, four years of age (member of a prominent family of  
this county), who was afflicted with scrofula. After only three or four  
bottles were used, the disease was entirely eradicated, and she is now in  
excellent health."

"My son—now fifteen years of age—was troubled for a long time  
with catarrh, in its worst form, through the effects of which his blood  
became poisoned. About a year ago he began using Ayer's Sarsaparilla,  
and is now entirely well."—D. P. Kerr, Big Spring, Ohio.

"My husband's mother was cured of scrofulous consumption by six  
bottles of Ayer's Sarsaparilla."—Mrs. Julia Shepard, Kendall, Mich.

"Ayer's Sarsaparilla cured me of catarrh."—L. Henriken, Ware, Mass.
