Sparkles.

It is all right to advise a man to turn a thing over in his mind before acting, if he has a mind bigger than the thing to be turned over.

SIRS,—I always keep a bottle of Hagyard's Yellow Oil for cuts, sprains and bruises. The folks at the house use it for almost everything. I know it to be a good medicine, it is an excellent mollifier for cracked or chapped hands.

"Oh, my friends, there are some spectacles that a person never forgets!" said a lecturer, after a graphic description of a terrible accident. "I'd like to know where they sell 'em," remarked an old lady in the audience.

**Deserving Confidence.**—No article so richly deserves the entire confidence of the community as BROWN'S BRONCHIAL TROCHES, the well-known remedy for coughs and throat troubles.

"They are excellent for the relief of Hoarseness or Sore Throat. They are exceedingly effective."—*Christian World, London, England.*

THREE practical points: 1st. Burdock Blood Bitters cures dyspepsia by acting promptly on the stomach, liver and bowels. 2nd. Burdock Blood Bitters cures bad blood by the same specific action combined with its alterative and purifying powers. 3rd. Burdock Blood Bitters cures all diseases arising from the two first named; such as constipation, headache, biliousness, dizziness, scrofula, etc., by removing their cause, as shown and proved in thousands of indisputably-recorded cases.

Mistress: Bridget, where are the oyster crackers that I ordered?" Bridget: Faith, mum, an' I broke ivery one av thim, an' not an oyster could I find in one, an' I sint them straight back.

Old Hopeful: Now, my boy, your education is finished. What are you going to be? Choose whatever business you like, and I'll give you all the assistance I can. Young Hopeful: Well, I think I'd like to be a king. Old Hopeful: All right! You shall be the janitor of the new flats I am building.

IN curing coughs, colds, hoarseness, asthma, bronchitis, sore throat, and all diseases of the throat and lungs, there is one remedy which is unequalled by any other. We refer to Dr. Wood's Norway Pine Syrup, which has effected many remarkable cures this season.

Our Venerated Relics: The custodian of what had been Garibaldi's straw-stuffed bed in Ischia was heard to mutter, on seeing a lady carry away a few straws as a relic, "They will do it! I've stuffed it six times already since the general left."

DEAR SIR,—About three months ago I was nearly wild with headaches. I started taking B. B. B. and took two bottles and my headaches have disappeared altogether now. I think it a grand medicine. —LETTICE RODES, Londesboro, Ont.

"I'm afraid you do not love music, Mr. Keenear," she said, as she finished a selection at the piano. "Oh, I do," he said eagerly. "I thought you look bored," she said. "I may have looked bored," he answered, "but I love music for all that."

SIRS,—I am very much pleased with the effects of Hagyard's Pectoral Balsam. Our family has been greatly troubled with severe colds, pains in the chest, etc., and have been promptly relieved by this valuable medicine, which we willingly recommend.—CLARA A. MCKENZIE, Clarendon Station, N.B.

Edna: What do you suppose makes Tom write such gushing letters? Kate: I suppose he uses a fountain pen.

**A CURE FOR DYSPEPSIA.**—In investigating the cause of this prevalent complaint it is found to rest principally in wrong action of the stomach and impurity of the blood. These exciting causes are easily removed by the regulating, purifying tonic and digestive effects of Burdock Blood Bitters, hence the success of B.B.B. in curing dyspepsia in any form, no matter of how long standing or how severe it may be.

"Could you make it convenient to lend me \$100, Jack?" "I don't know. If I should lend it to you I should be a man of some distinction." "How is that?" "One out of a hundred."

Your Patronage Respectfully Solicited.

A SICK LIVER

is the cause of most of the depressing, painful and unpleasant sensations and sufferings with which we are afflicted; and these sufferings will continue so long as the Liver is allowed to remain in this sick or sluggish condition.

To stimulate the Liver and other digestive organs to a normal condition and healthy activity, there is no better medicine than
