CATARRH IN THE HEAD.

Is undoubtedly a disease of the blood, and as such, only a reliable blood purifier can effect a perfect cure. Hood's Sarsaparilla is the best blood purifier, and it has cured many very severe cases of catarrh. It gives an appetite and builds up the whole system.

SCRAPED WITH A RASP.

Sirs,—I had such a severe cough that my throat felt as if scraped with a rasp. On taking Dr. Wood's Norway Pine Syrup I found the first dose gave relief, and the second bottle completely cured me.

A COMPLICATED CASE.

Dear Sirs,—I was troubled with biliousness, headache, and loss of appetite. I could not rest at night, and was very weak, but after using three bottles of B. B. B. my appetite is good and I am better than for years past. I would not now be without B. B. B., and am also giving it to my children.

The flimsy paper called tissue paper was originally made to place between tissue cloth of gold or silver, to prevent its fraying or tarnishing when folded.

The people at the World's Dispensary of Buffalo, N. Y., have a stock-taking time once a year, and what do you think they do? Count the number of bottles that've been returned by the men and women who say that Dr. Pierce's Golden Medical Discovery or Dr. Pierce's Favorite Prescription didn't do what they said it would do.

And how many do you think they have to count. One in ten? Not one in five hundred!

Here are two remedies—one the "Golden Medical Discovery," for regulating and invigorating the liver and purifying the blood; the other, the hope of weakly womanhood; they've been sold for years, sold by the million bottles; sold under a positive guarantee, and not one in five hundred can say: "It was not the medicine for me!" And—is there any reason why you should be the one? And—supposing you are, what do you lose? Absolutely nothing!

The most curious of all journals is probably the "Beggars' Journal" of Paris, which is published daily, and gives its subscribers a complete list of baptisms, weddings and funerals to take place the same day, which may be assumed to afford a good "pitch." Begging letter-writers are provided for by a special section giving the arrivals and departures of persons of known charitable tendencies.

Only the Scars Remain.

"Among the many testimonials which I see in regard to certain medicines performing cures, cleansing the blood, etc.," writes HENRY HUDSON, of the James Smith

Woolen Machinery Co., Philadelphia, Pa., "none impress me more than my own case. Twenty years ago, at the age of 18 years, I had swellings come on my legs, which broke and became running sores. Our family physician could do me no good, and it was feared that the bones would be affected. At last, my good old mother urged me to try Ayer's Sarsaparilla. I took three bottles, the sores healed, and I have not been troubled since. Only the scars remain, and the memory of the past, to remind me of the good

Ayer's Sarsaparilla has done me. I now weigh two hundred and twenty pounds, and am in the best of health. I have been on the road for the past twelve years, have noticed Ayer's Sarsaparilla advertised in all parts of the United States, and always take pleasure in telling what good it did for me."
