The Charter Oak Stoves.
FOR SOFT COAL BURNING.

A new and valuable feature to these Stoves, and one to which special attention is invited, is the Wire Gauze or Perforated Tin Oven Door, by the use of which a current of air passes into the oven during the process of baking, and imparts to bread a sweeter taste and to meats the flavor produced by the old style of roasting before an open fire, and the shrinkage of meats, poultry, etc., so cooked, is found to be very much less than the old method.

Economy of Fuel is another important consideration in the Charter Oak, which is claimed in addition to its many peculiar advantages.

Satisfaction guaranteed in every case.

SEALED TENDERS, addressed to the undersigned, and endorsed "Tender for Indian Supplies" will be received at his office up to noon on **TUESDAY 20th APRIL, 1886,** for the delivery of Indian Supplies during the first year ending 30th June 1887, consisting of Flour, Bacon, Beef, Groceries, Ammunition, Tinned Goods, Canned Goods, Agricultural Implements, Tools, &c., duty paid at various points in Manitoba and the North-West Territories.

Forms of Tender, giving full particulars relative to the supplies required, date of delivery, &c. may be had by applying to the undersigned, or to the Indian Commissioner at Regina, or to the Indian Office, Winnipeg.

Parties may tender for each description of goods (or for any portion of each description of goods separately, or for all the goods called for in the Schedules).

Each Tender must be accompanied by an accepted Cheque, in favor of the Superintendent-General of Indian Affairs, on a Canadian Bank, for at least five per cent. of the amount of the tender in Manitoba and the North-West Territories, which will be forfeited if the party tendering declines to enter into a contract when called upon to do so. If he fails to complete the work contracted for, the tender is not accepted, the cheque will be returned.

Tenders must make up in the Money column in the Schedule the total money value of the goods they offer to supply, or their tender will not be entered.

Each tender must, in addition to the signature of the tenderer, be signed by two sureties acceptable to the Department, for the proper performance of the contract.

In all cases where transportation may be required, partial contractors must make proper arrangements for supplies to be forwarded at the various railway stations to their destination in Government warehouse at the point of delivery. The lowest, or any tender not necessarily accepted.
