The report of the Building Committee stated that there was a suitable site for a new college south of the School of Practical Science on College-street, and recommended that a committee be appointed to secure the site. June 10th 1885.

The Council met at 10 a.m.

Dr. Wright moved that all medical students engaged in the North-West, be allowed their full time, but they shall be required to take their primary examination next spring, or at the final examination.

Dr. Geikie moved in amendment, seconded by Dr. Moore, "That those primary students who had been prevented from undergoing the spring examinations by their service in the North-West, and who had paid their fees, be given their standing."

Dr. Wright argued that the Act gave no power to dispense with the examination, and the President on being appealed to for his ruling, suggested that both resolutions be withdrawn till the advice of the solicitor be obtained.

Dr. Day presented the report of the Legislative Committee. It stated that the Committee had been unable to obtain from the Legislature the amendments to the Medical Act, which were deemed so necessary, but had hopes of obtaining legislation next session. They therefore recommended the re-appointment of the Committee.

An application was received from Dr. E. B. Sparham, of Brockville, asking that his name be reinstated in the list of those licensed by the college to practice.

Dr. Cranston moved that the President, or in his absence, one of the officers of the college, shall have power to appoint in each territorial division, on the recommendation of the representative for such division, one or more persons whose duty it shall be to prosecute persons practising in contravention of the Medical Act, and that the prosecutor receive 75 per cent. of the fines inflicted. Carried.

A by-law was then passed fixing the annual assessment at \$1 per annum.

A by-law was also introduced by Dr. Williams, and passed, fixing the date of the professional examinations on the first Tuesday in April in each year.

Dr. Campbell moved that a copy of the proceedings of Council be printed and forwarded to each member of the college.

Dr. Wright moved in amendment that a synopsis of the proceedings be printed in the annual announcement, and a copy sent to every member in good standing. The amendment was carried.

Mr. Dalton McCarthy, Q.C., the solicitor of the Council, gave as his opinion that there was nothing in the Medical Act to prevent the Council from giving students in the North-West their primary examinations. Dr. Geikie then introduced a by-law to the effect that the students be allowed their primary examinations, which was carried.

The following were appointed members of the Legislative Committee: Drs. Day, Cranston, Edwards, Fowler, Williams, Husband, Douglas, Logan, Moore, Wright, Geikie, and Harris.

The members of the Council were entertained at lunch, in the evening, by Dr. Aikins, Jarvis St., in which they were joined by members of the profession in Toronto, and a pleasant time was spent.
